

Annual Report - Town of Rutland, Vermont

January 1, 2001 - June 30, 2002

Main Entrance to Proposed Home Depot Store

U. S. ROUTE 4 EAST

DEDICATION

RODNEY T. GALLIPO, SR.

The 2001 Rutland Town Report is dedicated to Rodney T. Gallipo, Sr.

A life long resident of the Town, Rod was born on November 15, 1949 and has spent his entire life on the family farm located at the intersection of Grove Street and Cedar Avenue. The oldest of three children, Rod attended Rutland Town Elementary School and Mount Saint Joseph Academy. He is the son of the late Frederick and Marie Jeanne Gallipo.

Rod has served in various Town positions over the years, such as: Grand Juror; Board of Civil Authority; Justice of the Peace and Select Board. He is a Charter Member of the Rutland Town Fire Department, having served 35 years and still active within the department. Rod has continued to serve on the Select Board since he was appointed to fill the vacated seat created by the sudden and unexpected death of his father in the fall of 1980.

Rod takes great pride in working with others to make Rutland Town one of the best communities in the world. His extensive knowledge of Town, City and State history, along with their residents and officials is an asset to the Town. Rod has never shied away from any debate or issue where the Towns' best interest was concerned and he continues to crusade for anything that benefits the town and it's residents.

Rod and his wife, Lyn, have been married for 26 years and continue to live and work on the family farm along with Rod's mother: brother, Tom and sister, Linda. Rod and Lyn are the proud parents of two wonderful children, Jennifer Lyn and Rodney Jr., who reside in Dover, NH.

The residents of the Town, along with his family and friends, would like to thank Rod and wish him many more years of good health and continued service to the Town.

RUTLAND TOWN WARNING

The legal voters of the Town of Rutland are hereby warned to meet at the Rutland Town Elementary School on Post Road on Monday, March 4, 2002 at 7:30 P.M. to discuss Articles #2 thru #20.

On Tuesday, March 5, 2002 at 7:00 A.M. at the Town Hall in Center Rutland for voters living on the West Side of Route 7, and at the Elementary School Gym on Post Road for voters living on the East Side of Route 7 to vote on Articles #1 thru #19 inclusive, by Australian Ballot. Polls will close at 7:00 P.M. on March 5, 2002.

ARTICLES:

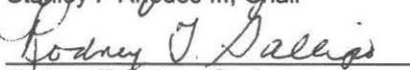

1. Choose all necessary officers required by law.
2. Shall the voters authorize the Select Board to borrow money in anticipation of taxes?
 - 2a. Shall the property taxes be payable to the Town Treasurer in three installments, September 10, January 10 and May 10?
3. Shall the voters authorize the Select Board to raise by taxes an amount not to exceed FIVE HUNDRED AND THREE THOUSAND AND NO/100 DOLLARS (\$503,000.00) for use toward the operation of the General Fund Budget?
4. Shall the voters authorize the Select Board to raise by taxes an amount not to exceed FOUR HUNDRED AND TWENTY NINE THOUSAND, FIVE HUNDRED & NO/100 DOLLARS (\$429,500.00) for the use toward the operation of the Highway Fund Budget?
5. Shall the voters authorize the Select Board to raise by taxes an amount not to exceed ONE HUNDRED AND TWENTY THREE THOUSAND & NO/100 DOLLARS (\$123,000.00) for use toward the operation of the Fire Fund Budget?
6. Shall the voters authorize the Select Board to raise by taxes an amount not to exceed EIGHTY FOUR THOUSAND & NO/100 DOLLARS (\$84,000.00) for use toward the operation of the Recreation Fund Budget?
7. Shall the Town of Rutland appropriate an amount not to exceed FIVE HUNDRED & NO/100 DOLLARS (\$500.00) toward supporting the work of the Child First Advocacy Center of Rutland County?
8. Shall the Town of Rutland appropriate an amount not to exceed FIVE HUNDRED & NO/100 DOLLARS (\$500.00) toward supporting the Vermont Association for the Blind and Visually Impaired?

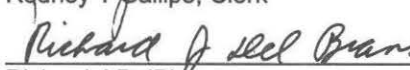

9. Shall the Town of Rutland appropriate an amount not to exceed FIVE HUNDRED THIRTY FIVE & NO /100 DOLLARS (\$535.00) toward supporting the work of the Vermont Center for Independent Living of Disabled Vermonters?
10. Shall the Town of Rutland appropriate an amount not to exceed SIX HUNDRED SEVENTY & NO/100 DOLLARS (\$670.00) toward supporting the work of the Retired Senior Volunteer Program (RSVP) of Rutland County?
11. Shall the Town of Rutland appropriate an amount not to exceed EIGHT HUNDRED & NO/100 DOLLARS (\$800.00) toward supporting the work of Association for Retarded Citizens?
12. Shall the Town of Rutland appropriate an amount not to exceed ONE THOUSAND & NO/100 DOLLARS (\$1,000.00) toward the operating costs of the Boys & Girls Club of Rutland County?
13. Shall the Town of Rutland appropriate an amount not exceed ONE THOUSAND AND NO/100 DOLLARS (\$1,000.00) toward supporting the publication of the town-wide newsletter, **The Circle**, to enable it to continue to provide information from all facets of our widespread community to its citizens?
14. Shall the Town of Rutland appropriate an amount not to exceed ONE THOUSAND THREE HUNDRED & NO/100 DOLLARS (\$1,300.00) toward supporting the work of the Southwestern Vermont Council on Aging Inc. for the elderly citizens of Rutland Town?
15. Shall the voters authorize the Select Board to raise by taxes the sum of money not to exceed FIVE THOUSAND AND NO/100 DOLLARS (\$5,000.00) for scholarships, to be awarded to worthy 2002 High School graduates of the Town of Rutland, who have resided in the Town at least two (2) years and wish to attend institutions of higher learning?
16. Shall the Town of Rutland appropriate an amount not to exceed SIX THOUSAND FIVE HUNDRED & NO/100 DOLLARS (\$6,500.00) to support the Rutland Visiting Nurse Association and Hospice in fiscal year 2002 - (\$500.00) to support Rutland Area Hospice and (\$6,000.00) to support RAVNAH home and community health services?
17. Shall the Town of Rutland appropriate the sum of money not to exceed SEVENTEEN THOUSAND ONE HUNDRED SIXTY & NO/100 DOLLARS (\$17,160.00) toward the operating cost of the Regional Ambulance Service for 2002?

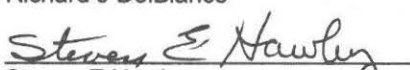

18. Shall the Town of Rutland continue its participation in the Rutland Free Library Association Inc. and approve an appropriation not to exceed FIFTY SEVEN THOUSAND, NINE HUNDRED FIFTY & NO/100 DOLLARS (\$57,950.00) for the year 2002?
19. Shall the legislature be urged to change Vermont's voting law for statewide elections, which currently can result in no candidate receiving a majority and thus the selection of a governor by the legislature instead of the voters; and replace it with a system that allows voters to rank their choices so that, without the need for a separate runoff election, the candidate preferred by a majority of voters is elected?
20. To transact any other necessary, legal and proper business, which may come before said meeting.

**TOWN OF RUTLAND SCHOOL DISTRICT
WARNING FOR SCHOOL DISTRICT ANNUAL MEETING**

The legal voters of the Town of Rutland School District are hereby warned to meet at the Rutland Town Elementary School on Post Road on Monday, March 4, 2002 at 7:30 P.M. to discuss Articles 1 and 2. At the close of business, the meeting shall adjourn to 7:00 A.M. Tuesday, March 5, 2002, at the Town Hall, Center Rutland for voters living on the West side of Route 7, and the Elementary School Gym on the Post Road for voters living on the East side of Route 7 to vote on Articles 1 and 2.

The polls will open at 7:00 A.M. and close at 7:00 P.M. Voting will be by Australian Ballot.

Articles:

1. Shall the voters of the Town of Rutland School District appropriate the sum of Five million, eight hundred twenty-nine thousand, eight hundred seventy-eight dollars (\$5,829,878) necessary for the support of its school for the year beginning July 1, 2002?
2. To elect other School District officials as required by law.
3. To transact such other business as may be necessary and appropriate as allowed by law.

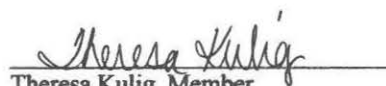

DATED at Rutland Town, Vermont this 28th day of January, 2002.

BOARD OF SCHOOL DIRECTORS

S. Stacy Chapman, Chairman

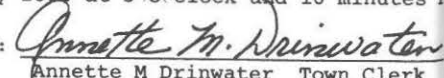

Donald Tredtin, Member

Lynette Gallipo, Clerk

Theresa Kulig, Member

Denice Gonyea, Member

Received for record the 30th day of January 2002 at 3:00'clock and 10 minutes P

Attest: 
Annette M. Drinwater Town Clerk

Date: January 17, 2002

From: Auditors

To: The Honorable Selectboard,

We conducted an audit of the Town of Rutland. The audit period was January 1, 2001 through December 31, 2001.

Our audit was conducted in accordance with accepted auditing procedures as provided by the State of Vermont and included such tests as we considered necessary in the circumstances.

The audit was limited to internal controls, cash and purchasing controls. Based on results of our testing, we believe cash controls adequately safeguard town funds and internal systems adequately report town cash activity, we do however, find some weakness in purchasing controls. We discussed our findings with the Town and have incorporated their responses herein.

The Town of Rutland prepares its financial statements on the cash basis. This accounting basis recognizes revenue when received and expenses when paid.

We have compiled financial statements for the Town of Rutland. These statements are not intended to be presented in conformity with generally accepted accounting principles.

In our opinion, the accompanying financial statements present fairly the cash balances, revenues received and expenditures paid of the Town of Rutland as of the interim period ending December 31, 2001.

The Town does not maintain historical cost records of its fixed assets, accordingly, there is no fixed asset account group presented.

We appreciate the assistance provided by the Treasurer's Office and other personnel.

We hope the information, analysis, and recommendations presented in our report are helpful.

Sincerely,

Board of Auditors

Rodney S. Cioffi

Alan L. Roberge

The full text of the Auditors Report is available at the Town office.

Note 1

Reporting Entity

The accompanying financial statements present the activities of the Town of Rutland. The reporting entity, the Town of Rutland, consist all departments, funds, commissions and account groups for which the town has financial responsibility. School district financial statements are presented as a separate entity.

Note 2

Reporting Period

The accompanying financial statements present the activities of the Town of Rutland for the interim period beginning January 01, 2001 and ending December 31, 2001. The Town changed reporting periods from a calendar year to a fiscal year for the period beginning 2001. The transition period is from January 01, 2001 to June 30, 2002.

Note 3

Revenue Recognition

The Town reports financial activity on the cash basis of accounting. This method recognizes revenues only when received in cash and recognizes expenditures only when paid in cash. Liabilities are recorded only when notes payable are issued.

Note 4

Infrastructure and General Fixed Assets (GFA)

Infrastructure and GFA costs are recorded in the appropriate fund as expenditure. The Town does not capitalize or depreciate such assets. The Town does not maintain a record of infrastructure or GFA and accordingly a General Fixed Asset Account Group is not presented.

Note 5

Cash

Cash includes amounts in checking accounts, certificates of deposits and money market accounts. Restricted cash is cash that is legally restricted in use. Cash assets of the Sutton Permanent Fire Department Fund, the Sutton Permanent Cemetery Fund and certain cash assets of the Cemetery Fund are restricted use assets. The original cash amounts to establish the Sutton Permanent Fire and Sutton Permanent Cemetery Funds cannot be expended. The fund may expend any and all income produced by the fund assets. The Cemetery Fund cash assets acquired by lot sales are also restricted use funds; the cemetery fund may expend any and all income produced by the fund assets.

Cash deposits as of December 31, 2001 were:

	Unrestricted	Restricted
General Checking	\$(255,504.35)	\$ -
General Money Mkt.	\$1,888,796.93	\$ -
Reappraisal Maintenance Money Mkt	\$ 52,176.10	\$ -
Juster Money Market	\$ 16,080.63	\$ -
Cemetery Money Market	\$ -	\$ 70,281.02
Fire Equipment Depreciation Money Mkt	\$ 129,125.52	\$ -
Recreation Equipment Depreciation Money Mkt	\$ 75,044.79	\$ -
Sutton Permanent Fire CD	\$ -	\$204,645.40
Sutton Expendable Fire Checking	\$ 167.74	\$ -
Sutton Permanent Cemetery CD	\$ -	\$ 92,864.33
Sutton Permanent Cemetery Money Market	\$ -	\$ 8,216.36
Totals	\$1,905,887.36	\$376,007.11

Note 6

Investments

Investments were valued as of December 31, 2000 at \$8838.44

The investments are restricted use assets of the Sutton Permanent Fire Fund. The original investments amount to establishing the fund cannot be expended. The fund may expend any and all income produced by the fund investments.

Investment Detail

- 1) 717 shares of Central Vermont Public Service Corporation Common Stock
- 2) \$100.00 US Savings Bond Series EE

Note 7

General Long-Term Debt

The Town of Rutland long-term debt is \$1,035,494.67

The following is a summary of long-term debt transactions for the Town Of Rutland.

	Debt payable January 1, 2001	Debt Retired	Debt payable December 31, 2001
Transfer Station	\$ 100,000.00	\$ 25,000.00	\$ 75,000.00
North End Sewer	\$ 725,861.00	\$ 45,366.33	\$ 680,494.67
South End Sewer	\$ 315,000.00	\$ 35,000.00	\$ 280,000.00

Vermont Municipal Bond Bank, issued for sewer line and related improvements, zero interest, plus annual payments of \$45,366.33 until December 2016. \$680,494.67

Vermont Municipal Bond Bank, issued for sewer line and related improvements, semi annual interest payments, at 6.75% to 7.35% plus annual principal payments of \$35,000.00 until December 2008. \$280,000.00

Total Long-Term Debt \$1,035,494.67

Note 8

Basis of Presentation

The accounts of the Town of Rutland are organized on the basis of funds and account groups.

Statement of Revenue, Expenditures, and Changes in Fund Balance (Governmental Funds and Expendable Permanent Funds): These statements show the cash activity of basic governmental services. The activity of General, Highway, Fire, Recreation, Cemetary Working, Fire Depreciation, Recreation Depreciation and Sutton Expendable funds is reported here.

Statement of Revenue, Expenses, and Changes in Fund Balance (Proprietary Funds and Non-Expendable Permanent Funds): These statements show the cash activity business-like services provided by the Town and Permanent funds. The activity of Water, Sewer, Sutton Permanent Fire and Sutton Permanent Cemetary funds is reported here.

Statement of Assets, Liabilities and Fund Equity (all Fund Types and Account Groups) This statement shows the combined fund balances of all Governmental, Proprietary, Expendable and Non-Expendable Permanent funds, the cash balances, and the debts outstanding for which notes have been issued. Since the town reports on the cash basis, this statement does not report all assets and liabilities of the town.

Additional Information

Note 1 (The Town cash basis of reporting does not recognize the following liabilities as such, it is reported as cash inflows when paid and cash expenditure when loaned)

Receivables
(Due from School)

The Town of Rutland is owed \$335,000.00

The Town of Rutland loaned the Rutland Supervisory Union School District \$335,000.00 in the following schedule:

November 27, 2001	\$ 30,000.00
December 06, 2001	\$175,000.00
December 20, 2001	\$130,000.00

The loan accrues interest at the rate of 4.03% per annum. The Town anticipates the loan to be repaid on or before January 15, 2002.

(Due from Fire District #1)

In 1988 and interest free loan was made to Fire District #1. The loan is repaid by payments of \$5000.00 per year. The balance due is \$5000.00

Subsequent Event

The Town loaned an additional \$65,000.00 to the School District on January 3, 2002. The Town anticipates all loan funds will be repaid on or before January 15, 2002.

Note 2 (The Town cash basis of reporting does not recognize the following liability as such, it is reported an cash inflows when paid and cash expenditure when loaned)

Short-term Debt

The Town of Rutland short-term debt is \$800,000.00

The Town of Rutland borrowed \$800,000.00 on March 1, 2001 in the form of a tax anticipation loan. The town temporarily must seek outside funding to meet its cash flow needs. The note is scheduled to be retired January 15, 2002; the Town has funds on deposit to meet its current note liability.

Short-Term debt consist of:

Charter One Tax Anticipation Note, issued in anticipation of taxes as a demand note with interest at 4.03% per annum payable in full on or before January 15, 2002. The interest accrued to January 15, 2002 is \$28,657.76.

Missing from Picture: William T. Matteson

Select Board Report

The Town of Rutland ended 2001 with two substantial commercial developments under construction. Soon the Town will have a new Home Depot on US Route 4 East and the Alderman's Toyota car dealership on US Route 7 South.

The Home Depot store construction will not only replace the blighted old Juster Shopping Mall with a modern new store, but it will add significant new tax revenue to the Town. The construction of Alderman's Toyota on the former Rutland Drive-In site fits in nicely with other commercial businesses on US Route 7 South.

The Town of Rutland lost a much respected and very knowledgeable individual with the passing of J. Barry Burke in 2001. Barry served the Town of Rutland in many capacities including: Health Officer, Lister and Planning Commissioner. Many of us in the Town government learned a great deal about the nuts and bolts of the Town of Rutland from Barry and for that we are very grateful.

The year 2001 ended with the Town of Rutland and the City of Rutland cooperating on several Inter-Municipal matters including the Rail Yard relocation and the US Route 4 & 7 Upgrade project. Town Select Board members, William Matteson and Richard E DelBianco participated in many meetings with City and State officials in an effort to find solutions to Rutland City traffic congestion problems without considering a highway bypass as a solution.

The Route 4 & 7 Upgrade Committee recently completed public hearings and has prioritized proposed improvements for Vermont Legislative funding. Town Select Board members Rodney Gallipo and Stanley Rhodes III (Board Chairman) acting as the Town Inter-Municipal Committee have been meeting with the City officials planning the relocation of the City Downtown Rail Yard to a location in the south end of the Town of Rutland. Much work remains to be done with both projects and the Town Select Board is committed to working with the City of Rutland to find solutions.

The Town Select Board remains optimistic that the Vermont Legislature will make meaningful changes to the unfair property tax sharing component of Act 60. To this end we have a very capable voice in State Representative, Kevin Mullin. Despite our best efforts to keep municipal expenses down our taxes continue to rise because of Act 60.

As of this writing the Town Select Board is preparing to schedule a Public Hearing for re-adoption of the Town Plan. The Town Planning Commission spent the past two years updating and rewriting the current Town Plan. A well thought out Town Plan can guide future development within the Town to areas best suited for growth.

The Town owes a big "Thank You" to US Army Reserves and their equipment for helping the Town Recreation Commission realize their goal of improving recreation at North Wood Park.

In closing I would like to wish the former Rutland Town Fire Chief, Robert Schlachter, well in his new position as full-time Fire Chief of the Rutland City Fire Department. I would also like to extend a thank you to all the volunteers and Town employees for all their hard work in making Rutland Town a good place to live. Finally, as of July 1, 2002 the Town of Rutland goes on a fiscal year for accounting purposes.

God Bless America!

Respectfully submitted,
Stanley F. Rhodes III, Chair
Rodney T. Gallipo, Clerk
Richard J. DelBianco
Steven E. Hawley
William T. Matteson

NOTE:

ALL BUDGETS WILL BE VOTED BY AUSTRALIAN BALLOT ON TUESDAY MARCH 5, 2002 FROM 7:00 A.M. TO 7:00 P.M.

TOWN MEETING NIGHT MONDAY, MARCH 4, 2002 WILL BE FOR THE GENERAL DISCUSSION ON THE ANNUAL TOWN REPORT, BUDGETS AND ALL ARTICLES ON THE AUSTRALIAN BALLOTS PLUS ANY OTHER BUSINESS THAT MAY COME BEFORE SAID MEETING.

THIS MEETING WILL BE SIMILAR TO THE ONES IN PREVIOUS YEARS, EXCEPT NO VOTES WILL BE TAKEN ON THE AUSTRALIAN BALLOT ARTICLES.

PLEASE TRY TO ATTEND AND OBTAIN FIRST HAND KNOWLEDGE OF ALL BUDGETS AND ARTICLES ON WHICH YOU WILL BE ASKED TO VOTE ON TUESDAY, MARCH 5.

THANK YOU

INSTRUCTIONS FOR VOTERS OPTECH TABULATORS

Here is some basic information for you, the voter. If you have questions after reading this poster or at any time during the voting process, ask your Town Clerk or another election official.

• CHECK-IN

1. Go to the entrance, checklist table.
2. Give your name, and if asked, your residence to the election official in a clear, audible voice.
3. Wait until your name is repeated and checked off by the official.

• ENTER

1. Enter within the guardrail and do not leave until you have voted.
2. An election official will hand you a ballot.
3. Go to a vacant booth.

• MARK YOUR BALLOT-VOTE FOR ONLY ONE CANDIDATE

1. To vote for a person whose name is printed on the ballot, complete the arrow to the right of the name of the candidate.
2. To vote for someone whose name is not printed on the ballot, use the blank "write in" line on the ballot and complete the arrow to the right of the name.
3. Your ballot will be counted by a tabulator. **DO NOT FOLD, BEND OR DAMAGE** the card.

• VOTE

1. Place your voted ballot into the tabulator.

• LEAVE

1. Leave the voting area by passing outside the guardrail.

**VOTERS—PLEASE NOTE:
IF YOU ARE UNABLE TO VOTE
ON TUESDAY, MARCH 5, 2002
PLEASE CALL THE TOWN CLERK'S OFFICE
AT 773-2528 FOR AN ABSENTEE BALLOT
AND WE WILL MAIL IT TO YOU
OR
COME TO THE OFFICE IN PERSON TO VOTE.
PLEASE TAKE ADVANTAGE OF THIS OPPORTUNITY!**

22

NOTICE TO VOTERS BEFORE ELECTION DAY

REGISTER TO VOTE:

When: No later than twelve noon on Saturday, February 23.
Where: Town Clerk's Office

ABSENTEE BALLOTS:

When: On March 4, apply no later than 4:30 p.m. or close of the clerk's office for yourself, and no later than 12:00 noon if on behalf of another person.
Where: Town Clerk's Office
How: Either in person, in writing or by telephone.
Who: Voter or family member may apply all three ways above; other authorized person may apply for voter in person or in writing.

Ways of voting absentee:

- Vote in Town Clerk's office before the deadline.
- Have ballot mailed to you, and mail or take it back to the Clerk's Office before election day or to polling place before 7:00 p.m. on election day. If disabled or ill, have two justices of the peace bring a ballot to you at your home on the day before or the day of the election.

SAMPLE BALLOTS POSTED:

Saturday, February 23.

ON ELECTION DAY:

- If your name was dropped from the checklist in error, explain the situation to your Town Clerk and ask that it be put back on.
 - If the problem isn't cleared up to your satisfaction, have the Town Clerk, a Select person or other members of the Board of Civil Authority call an immediate meeting of the members of the Board who are present at the polls. They should investigate the problem and clear it up.
 - If you are still not satisfied, you may appeal to a Superior Court Judge, who will settle the matter that day. Call the Secretary of State's Office at 1-800-439-VOTE for more information.
 - If you know voters, who have physical disabilities, are visually impaired or can't read, let them know they may bring a friend or relative to help them vote.
 - If you voters who cannot get from the car into the polling place, let them know that a ballot may be brought to their car by two election officials.
- DO NOT:**
- Knowingly vote more than once, either in the same town or in different towns.
 - Mislead the Board of Civil Authority about your own or another person's eligibility to vote.
 - Interfere with the progress of a voter to and from the polling place.
 - Socialize in a manner that will disturb other voters.

FOR HELP OR INFORMATION
Call the Secretary of State's Office
1-800-439-VOTE

OR

TTY: 1-800-253-0191

VOICE: 1-800-253-0195

Rutland Town Highway Department Report

Congratulations Rutland Town, despite frayed nerves and frustrations, we survived the winter of 2001. This was the third snowiest winter on record. As was reported in last years Town Report, salt use was down 50% from previous years. I would like to thank all the subcontractors for their cooperation accomplishing such a significant reduction.

The following roads received treatment:
Belock Drive, Kathy Drive, Patricia Lane, Prior Drive, Middle Road and Farnham Lane.

Columbus Drive was reclaimed and repaved with 3 inches of asphalt. Travis Terrace was reclaimed and more material was added to the base to elevate the road above the high water table. The road was than repaved. This road should have an anticipated life of 15 years before re-treatment will be necessary. The West Proctor Road was reclaimed in an area noted for frost heaves. The rest of that road received re-treatment. This was accomplished with the financial help from the VTRANS Class 2 rehabilitation program. Next year the East Pittsford Road frost heaves near the Russell farm will receive some much - needed attention.

The big project for the year will be reconstruction of the newly acquired Campbell Road section from the Quarterline Road west to the Barrett Hill intersection.

I would like to thank the Taxpayers in Rutland Town for their support of the Highway Budget. I look forward to working with you next year.

Respectively submitted,
Byron R. Hathaway, Road Commissioner

TOWN OF RUTLAND SELECT BOARD OBSTRUCTION ORDINANCE

No person, whether as landowner, lessee, agent, employee or volunteer, shall deposit, or cause to be deposited, material of any kind within the Town highway right-of-way, or obstruct a ditch, culvert or drainage course without a written permit from the Select Board, in accordance with Title 19, S 303 of V.S.A.

Material for the purpose of this ordinance shall include, but not limited to: logs, snow, ice, rocks or dirt, which have been pushed, plowed, or deposited by any means within a highway right-of-way.

Any person who violates the provisions of this ordinance shall pay a fine of not less than Ten Dollars (\$10.00) or more than Two Hundred and Fifty Dollars (\$250.00) for each violation, together with the cost of prosecution, including service fees, court costs and attorney fees. Each day during which such violation exists shall be a separate offense for the purpose of this ordinance.

The provisions of this ordinance are in addition to, and not substitution of any other rights and remedies, criminal or civil, which the Select Board may have.

Adopted at a duly warned meeting of the Rutland Town Select Board dated this 28th day of October 1996.

Stanley F. Rhodes III, Chairman
Rodney T. Gallipo, Clerk
Richard J. DelBianco
Steven E. Hawley
William T. Matteson

RUTLAND TOWN FIRE DEPARTMENT

The Rutland Town Fire Department (RTFD) had another busy year in 2001. We Ended the year having answered 196 calls for assistance. The calls were as follows:

Structure Fires.....	6
Cooking Related Fires.....	2
Chimney Fires.....	2
Motor Vehicle Fires.....	5
Brush/Wild Land Fires.....	4
Trash Fires.....	6
Unauthorized Burning.....	1
Miscellaneous Fires	8
Motor Vehicle Accidents w/ no injury.....	31
Motor Vehicle Accidents w/injury.....	5
Motor Vehicle Accidents w/hazard material spill...	10
Gas Leaks.....	2
Reported smell of Gas.....	2
Carbon Monoxide Incidents	2
Electrical Incidents.....	5
Unintentional Alarm System Activation.....	64
Malicious False Alarms	6
Call Cancelled En Route	17
Miscellaneous Incidents	<u>18</u>

TOTAL CALLS FOR ASSISTANCE.....196

The RTFD was dispatched 23 times in 2001 to provide mutual aid support to other towns and requested support from other towns 8 times.

In addition to actual calls for assistance, the RTFD members continue to contribute thousands of hours each year ensuring the readiness of both equipment and personnel. From station maintenance to equipment readiness to personal and professional development, our members go beyond the call of duty to provide a quality level of service for their community.

Chief Chris Johnson would like to extend his sincerest thanks to the officers and members of the RTFD for their fine work and dedication to servicing our community in 2001.

A special thanks goes to former Chief, Robert Schlachter, who stepped down in November to pursue a position as Fire Chief of the Rutland City Fire Department. The officers and members of the RTFD extend best wishes to Robert and his family. Chris Johnson has been elected Fire Chief for the remainder of 2001 and for 2002.

A very special thanks goes to the spouses and family members who endured the missed meals, family time and events while our officers and members respond to serve the community. Finally, a thanks goes out to the employers of our members who allow them to leave work to serve the community. Without the support of family and employers, it is difficult, if not impossible to serve as a firefighter.

The officers and members of the RTFD remain ready to meet the divers emergency service needs of our community and would like to additionally thank the people of Rutland Town for their past and continue support of the fire department.

The RTFD is always looking for new members. If you may be interested in joining the RTFD please stop by either station on a Wednesday night, or call Chief, Chris Johnson at 775-7839.

Respectively submitted,
Chris Johnson,
Fire Chief

**Open Burning in Rutland Town
To the Residents of Rutland Town**

For some of you in Town, the information here will be a reminder. For others, it will be new.

Open burning is the burning of materials in the open air, where smoke and by-products do not pass through a chimney, stack, or flue. The only material that may be burned is clean, natural wood. Clean, natural wood is any wood unpainted and untreated with any chemicals. Plywood, chip - board, or pressure treated lumber **is not** natural wood.

All open burning requires a permit year round and may be obtained from the Fire Warden, Fire Chief, or Assistant Fire Chief. Burning hours are generally from daylight until dark; Monday through Saturday. All permitted fires are subject to the conditions given at the time they are issued.

The burning of any solid wastes, such as papers, cardboard, or household garbage is prohibited; no permits will be issued for these materials. The use of approved incinerators is allowed; however, only clean, natural wood may be burned in them. **The backyard practice of burning household refuse and solid waste in burn barrels is illegal in the State of Vermont and Rutland Town.**

Anyone needing more information about these issues please feel free to contact me at: 773-1542.

Thank you,
Joe Denardo
Fire Warden

RECREATION COMMISSION
Recreation Commission Report

Thanks to the Army Reserve for all the work they did for us last summer at Northwood Park.

Team sports were well attended again this year. We would not have the programs we have if it wasn't for the volunteer couches and helpers. A big 'thanks' goes out to all of you.

We would like to thank Laurie McMahon for re-opening the snack bar at Dewey Field during baseball season.

Thanks to the PTO and parents who helped with our Halloween Party. Hope to see all of you again in the fall.

There is an open invitation to anyone who would like to attend all or any of the Recreation Department meetings. We are looking for enthusiastic parents who are willing to help out in any way they can.

"Thanks to all"

RECREATION FACILITIES:

- Dewey Field
- Northwood Pool and Park
- Tennis/Basketball Courts at Dewey and Northwood.
- Use of the Rutland Town School Gym

RECREATION PROGRAMS:

- Baseball Basketball
- Soccer (Spring/Fall) Swimming /Lessons
- Halloween Party Easter Egg Hunt

- Respectively submitted,
 Donald R. Therriault, Chair
 Ernest M. Cioffi
 Richard E. DelBianco
 Lawrence DellVeneri

Special Permits	3	@ \$10.00	30.00
	613		<u>3,450.00</u>

NOTE

A person who owns or keeps a dog more than six months old shall annually, on or before April 1, cause it to be licensed and shall pay \$5.00 for each neutered male or spayed female dog, \$9.00 for each intact male or female dog. If the license fee for any dog is not paid by April 1, a 50% penalty is added.

Before a person shall be entitled to obtain a license for a spayed female or neutered male dog, he or she shall exhibit to the Clerk a certificate signed by a duly licensed veterinarian showing that the female or male had been sterilized.

Before obtaining a license for a dog six months of age or older, a person shall deliver to the Town Clerk a certificate or certified copy thereof signed by a duly licensed veterinarian, stating that the dog has within 24 months been vaccinated against rabies with a vaccine approved by the Department of Agriculture. The Town Clerk shall keep the certificates or copies thereof on file.

DOG TAGS ARE AVAILABLE NOW! PLEASE AVOID THE RUSH BEFORE APRIL 1ST. THANK YOU

Annette M Drinwater
Town Clerk

RUTLAND TOWN CONSTABLES

Brian Abbey – 1st Constable
John D. Flory – 2nd Constable

As Rutland Town Constables, we provide twenty-four (24) hour police coverage, seven days a week for residents and businesses of the Town. We are both certified Vermont Criminal Justice Training Council as full-time law enforcement officers and receive many hours of additional training each year. Together we have nearly seventy years of experience in the field.

We are in daily contact with the Town Office. Our attendance at Select Board meetings allows the Board to be informed of any and all problems affecting the Town. As Director of Rutland Town Emergency Management, Constable Flory works closely with the Select Board and Fire Department.

Each year we answer numerous calls for assistance from Town residents and businesses, as well as, assisting other police agencies. The Vermont State Police often call for the services of the Constables to assist or investigate complaints they are unable to respond to in a timely manner due to their workload. These complaints range from serious, such as sexual assault, to the more common vandalism. Our duties include responding to burglar alarms; motor vehicle accidents and incidents related to dogs or animals. We perform welfare checks on sick or injured persons. We respond to and investigate 911 "hang ups"; protocol requires a response to any and all 911 calls. To better serve residents, we strongly encourage all residents to conspicuously post their house numbers where they can be readily seen. We cannot impress enough the importance of having the numbers posted. If a resident is taking an extended vacation they can contact us and we will perform house checks in their absence. We are responsible for enforcing all Town Ordinances and State Statutes.

Both Constables are members of the Rutland Town Fire Department and respond to fire calls.

The Constables may be reached at any of the following numbers:

Rutland Town Office	773-2528
Brian Abbey	773-7388
John D. Flory	773-3791 & 773-8973
Vermont State Police	773-9101

Respectively submitted,
Rutland Town Constables

John D. Flory

TOWN PLANNING COMMISSION

Back Row: Raymond Leonard, Robert Dombro, Richard Hoenes, Sr.,
William Martinez & Sharon Crowley

Seated: Anthony Belock

Missing from Picture: Marcia Chioffi & George Livak

Rutland Town Planning Commission Report

The Planning Commission held a public hearing on the new 2001 proposed Town Plan. The plan has been presented to the Town Select Board for review and public hearing.

The Planning Commission participated in (14) sub-division reviews and public hearings.

I would like to express my thanks to fellow commissioners for their dedication and sincere effort in the planning process.

Specifically thank the following commissioners – J. Barry Burke (deceased), Sharon Crowley, Marcia Chioffi, Robert Dombro, George Livak, Richard Hoenes, Raymond Leonard, William Martinez and Christopher Oakman (resigned).

Respectively submitted,
Anthony Belock, Chairman

CEMETERY COMMISSIONERS

Cheney Hill Cemetery Association Report

The annual meeting of the Association was held with the following officers elected:

Chairman	Byron R. Hathaway
Vice-Chairman	Rachael Williams
Secretary	George J. Livak

Again this year Tony Flory did an excellent job caring for the old cemetery in Center Rutland. Rachael Williams also provided good care for the cemetery on Pinnacle Ridge Road.

Funds have become available this year due to an estate that was left to the cemetery, to expand the cemetery into the cornfield to the east. This will make more lots available to sell. A new fence will be installed in the spring. To encourage lot sales in the new section that will be open in late spring, lot prices will remain at last year's prices for a short while. Contact Byron Hathaway for more information at: (802) 775-2624 or e-mail hathfarn@together.net.

There were (3) burials this year.

There were (7) lots sold this year, one of these was sold back to the Town, bringing the perpetual account principle amount to \$ 42,275.00.

Respectively submitted,
Byron Hathaway, Chairman
George Livak, Co-Chairman
Rachael Williams, Secretary

CHENEY HILL COMMUNITY CENTER
LANDSCAPING PROJECT

Income:

Rutland Town General Fund -----	\$ 2,000.00
State of Vermont Urban Landscaping Grant -----	4,000.00
General Electric Elfun Society -----	1,000.00

Total	\$ 7,000.00
	=====

Expenses:

80 hours of administrative labor -----	No Charge
Trees and shrubs -----	\$ 5,065.51
Professional services -----	360.00
Landscaping materials -----	629.18
Food and beverages -----	325.20
Miscellaneous expenses -----	279.62

Sub-total	\$ 6,659.51

Balance in account as of December 31, 2001 -----	340.49

Total	\$ 7,000.00
	=====

To the Rutland Town residents,

From the feedback I received from our Select Board and several residents I feel that this landscaping project was a complete success. The time I invested in this project was well worth it for me and the finished product is my reward. I would like to thank all the residents that voted in the \$ 2,000 towards this project and I hope you all feel that this was worth doing.

I would like to give special thanks to all the volunteers, the Recreation Commission, John Socinski, the Dicton family at Joe's Nursery and to my friend By Hathaway for all of their contributions. Also, my thanks to our Select Board for their vision and support.

Respectfully submitted,

Al Roberge
Project Leader

 Seated: Theresa Kulig & Denice Gonyea
 Missing from Picture: Lynette Gallipo

SCHOOL BOARD REPORT

Throughout much of the past year, a great deal of time and effort has gone into environmental testing at our Elementary School building. As a result of ongoing health issues affecting a number of our teachers, school officials felt it was appropriate to conduct environmental testing to make sure that there was no connection between any of the illnesses and the overall school environment. At this stage, we are pleased to report that test results have shown that our building is safe for our faculty, staff and students. There have been several recommendations made to the school for follow-up testing and for adjustments to be made for air quality systems. That work is ongoing and the School Board is committed to taking whatever steps may be necessary to address any existing and future environmental questions. We wish to thank the members of the Healthy School Committee for their support and input throughout the testing process and we also want to thank our Superintendent, Mr. John Kaldy, and our Principal, Mr. Thomas Polisenio, for the many hours, which they have devoted to these matters.

Last year, we also reached a five-year agreement with our Teacher's Union. We believe that the contract will provide our teachers with an appropriate compensation package, which is also sensitive to the financial responsibilities of taxpayers. We feel that our teachers do an excellent job with our students and we all look forward to working together over the next several years without the uncertainties involved in contractual negotiations.

In the year 2001, our elementary school students showed excellent improvement in standardized testing scores both at the state and national levels. Likewise, our high school students performed extremely well both in terms of academic and athletic/extracurricular activities. Many of our graduating high school seniors have received college scholarships in recognition of their high school achievements, something in which all Town residents should take great pride.

Looking ahead to next year, with expansion of our foreign language program and enhancement of our computers and other technology, we believe that our students will be even better prepared as they enter their high school years. Next year's budget includes funds which will allow our curriculum to be improved with updated textbooks and other teaching materials. We appreciate the support the Town has shown for the school budget and we hope that this support will continue even as our Town and State continue to face economic challenges. Despite the fact that Act 60 has placed significant burdens on our school budget, we believe that the quality of the education in Rutland Town is still very high, as is demonstrated by the achievements of our students. Rutland Town School continues to offer a wide variety of opportunities both educationally and socially for our students and our School Board is committed to maintaining a program, which provides our children with a proper foundation as they go forward with their education and lives.

Rutland Town is very fortunate to have the support of parents, the PTO and its taxpayers. We encourage public participation at our School Board, meetings which continue to be held every other Tuesday evening at 7:00 p.m. in the School Library.

Respectfully submitted,
 Stacy Chapman, Chairman
 Lynette Gallipo, Clerk
 Denise Gonyea
 Theresa Kulig

**The 2001 Legislative Year In Review:
 A Report From Rep. Kevin J. Mullin**

This past year has been very productive in the Statehouse. We have taken many steps to protect communities, families, and individual Vermonters. We enacted tougher laws for the distribution of illegal drugs; including heroin, ecstasy, and date rape drugs. We increased funding for travel and tourism, expanded the sex offender community notification legislation, provided funding to establish heroin treatment programs, and ensured that Vermonters struggling with cancer have access to clinical trials. We served farmers by adding \$1.5 million for agricultural initiatives, including cattle health and meat processing projects. We lowered property taxes by providing an additional \$6.5 million to increase education block grants and by increasing state aid to town highway programs.

Much of the progress that was made last year to help local property taxpayers may be eroded in 2002 if the governor's proposed budget is successful. The proposed budget hurts local property taxpayers in two ways. First, on the municipal side, the budget includes over \$15 million of cuts in reimbursements for town highways and bridges. Second, school taxes will rise because the block grants are being level funded and general fund transfers to the education fund are being reduced. Property taxes in Vermont are already high. We pay, on average, \$52.70 as opposed to a national average of only \$32.36 per \$1,000 of personal income. While we were successful increasing the state education block grants last year, we failed to pass meaningful Act 60 reform. This year, I will be cosponsoring legislation with Representatives Marron and Livingston to finally heal the divisiveness of the sharing pool.

Recently, economists Arthur Wolf and Dick Heaps released a report showing that Vermont would have to reduce state and municipal taxes and fees by \$180 million to reach the national average of burden placed on residents. When measuring state and local taxes as a percent of personal income, we are the seventh highest in the country. However, there seems to be little willingness by elected officials to make the hard decisions necessary to responsibly balance the budget and the political will seems to be leaning towards raising taxes. However, I believe strongly that, during this period of economic downturn, we must not place further burdens on individual initiative. Additional taxation will lead to further downward pressure on our fragile state economy. Instead, we must focus on providing opportunity and economic growth to enhance our overall quality of life.

I appreciate the trust that you have extended by allowing me to serve you in Montpelier. Please feel free to call me at 775-7631 or e-mail kjmbjm@aol.com with any specific legislative concerns.

Respectfully submitted,

Rep. Kevin J. Mullin

**Rutland Central Supervisory Union Notice
Handicapped Children
Ages 0-21 Years
2001-2002**

The Rutland Central Supervisory Union (Proctor, Rutland Town and West Rutland) in meeting the requirements of its local Education Agency Plan, is attempting to identify any and all area resident children between the ages of 0-21 years who may be considered handicapped. Also any person between the ages of 3-21, who is in need of special education and related services, is entitled to a free and appropriate public education. It is possible that the Rutland Central Supervisory Union may not be aware of the residence of all handicapped children. If you know of a child who might be eligible for educational services and is not in school, please notify Madelyn Crudo-Burke, Director of Student Educational Services, 257 South Main Street, Rutland, Vermont 05701, or phone 775-4342.

Rutland Central Supervisory Union
Annual Report for the 2001/2002 School Year

Three years ago, we began a journey. The journey was to embark on the challenge of creating a vision supported by actions that would create change in the educational world of the Rutland Central Supervisory Union. In order to meet this challenge we asked ourselves the following question: What actions would it take to accomplish this? We began by reflecting on our current needs and talked about ideas and strategies that we needed to put in place in order to move us forward.

One specific strategy was to begin by aligning our acts of improvement so that we were not as disjointed and diverse as a Supervisory Union. We used each of the school's action plans to guide us in this process. Our second action step was to set a direction for the Supervisory Union defining five tenets that would serve as an overall umbrella for the RCSU recognizing the need to develop an RCSU Vision and Mission that would focus on whole school improvements, as well as, set an instructional focus.

We identified that instructional focus as Literacy. With that focus in mind, we looked at student work in relation to the standards and professed that good professional development centered on Best Practices was imperative in order to move continuously ahead. This required us to look at our resources and to make hard choices on how to best utilize them. We continue to recognize parent and community involvement as a component of whole school change. We also saw the importance of establishing benchmarks and looking at student work in relation to stated outcomes as crucial in our journey for continuous improvement. As we moved forward, we became aware of the need to have an overall Vision, which recognized the fact that our communities needed to be united in order to move ahead systemically (*The RCSU Vision is to unite the communities to provide a quality education enabling each student to be prepared to succeed in life*). We also recognized the importance of our stated Mission, which is to work at aligning our resources in order to reach our stated vision. (*The RCSU Mission is to create a school system that aligns all its resources in order to assure that each student achieves at his or her highest level*).

Going into the new millennium, we recognized the fact that high stakes testing, the global economy and the latest brain research about how students learn are three of the major factors pushing us to look hard at what we do for our students as educators. We also were faced with the fact that education, especially in Vermont, has shifted from a norm-referenced system of accountability to a results referenced system of accountability. These factors have really brought home the fact that we cannot do this alone, in isolation as individuals, schools, or schools districts. We realized the fact that we need to work together as a system in order to give support and gain benefit from each other.

As a result, I am pleased to report that we have accomplished a lot in these past three years:

- We have aligned our resources
- We have provided support to school districts
- We have established and empowered teachers to take risks and try new approaches
- We still recognize the independent culture of each school; yet seek to find those areas where there is commonality of purpose.

An example of such commonality of purpose involves the sharing and collaboration of resources in the RCSU. This is evident by the collaboration of our three School Boards who have supported the consolidation of various state, federal and grant resources so that we can do more systemically across the Supervisory Union for the good of the whole. Because of this kind of collaboration, we now have in place:

- A coordinator of Curriculum and Assessment
- A coordinator of Early Education
- Two teacher Coaches
- Systemic Professional Development around Best Practices
- An Alternative Education Initiative
- Home school coordinators throughout the Supervisory Union
- School safety Crisis Teams, SRO's and safety programs
- Inter-district after school programs for kids

Our Vision to unite the communities to provide a quality education enabling each student to be prepared to succeed in life has not changed. This Vision has been centered on these five Goals:

- ⇒ Highest Student Achievement
- ⇒ Safe Learning Environment
- ⇒ Partnerships
- ⇒ High Performing Staff
- ⇒ Management System

Each one of these Goals serves as the pillars that keep the Vision alive. There are a lot of people who are responsible for keeping this vision alive too many to mention by name in this report, but they are the key people who work hard everyday to make these goals become doable keeping us focused and on task. I want to publicly thank them for stepping forward to contribute their expertise, effort, time and leadership to keep us moving forward in continuous improvement so that our students can be better prepared to succeed in life.

Thank you to our School Board Members, Teachers, Instructional Assistants, Principals, office staff, maintenance & food Support Staff, Central Office Administrators, Coordinators, Directors, Teacher Coaches, and office staff and most of all Parents and Community Members for your on-going support and dedication.

Curriculum Coordinator – Karen White

The Curriculum and Assessment Coordinator works with administrators, teachers and staff in each of the three RCSU Districts. The purpose of this position is to support continuous improvement in the curriculum, instruction, and assessment programs for the schools at all grade levels. The focus of the work of the Curriculum and Assessment Coordinator is directed by the annual action plans.

A priority this year is the implementation of writing portfolios and mathematics problem solving portfolios for students at all grade levels. The utilization of portfolios throughout a school is linked with improved student learning in the key instructional areas of math problem solving and writing effectively. Further, portfolios provide an effective means for assessing student progress in key curricular areas over time. Teachers in all of the schools are working very hard to effectively implement this program. Their work is supported by two experienced Teacher Coaches.

The RCSU employs two Teacher Coaches. These are master teachers with many years of teaching experience and expertise in specific curricular areas. Gail Cutis, with the RCSU for three years, supports teachers with their professional growth in Language Arts. Jean Ward, new to the RCSU this year, works in the areas of Mathematics and Science. Together they are an extremely valuable resource to teachers. They work with teachers in their classrooms modeling best practices and problem solving difficulties teachers experience in their classroom

Director of Student Services – Madelyn Crudo-Burke

Special Services within the supervisory union expanded to include Robin Turner, English as a Second Language instructor, Tom Hylwa, Special Educator at West Rutland School, Ruth Cohan, Early Childhood Coordinator, and Nancy Malette, Alternative Education Coordinator.

In addition to increasing capacity through personnel, professional development and training for educational support teams, Rutland Central Supervisory Union special services staff have engaged in a myriad of professional development activities designed to enhance relationships with parents, teachers and teams in support of all students.

Report of the Coordinator of Early Childhood Services – Ruth Cohan

In this, the first year for coordinated services to young children birth to age six, I am happy to report progress in bringing the RCSU Even Start and Early Essential Education programs into alignment. We are focused on providing high quality home based and school based services to children and families. Through educational support in the classroom and through outreach activities that include home visiting and family social gatherings, we are able to reach and support more families with young children. Our family outreach function has improved greatly with the addition of Mary Ellen Csizmesia to the home visiting staff.

Several activities aimed at Early Education program development include the writing of Educational Outcomes for our young students with Performance Indicators. We are in the process of reinvigorating the curriculum to support children in successfully demonstrating these outcomes. Our West Rutland Early Education site will become a licensed child care center this year. In conjunction with licensing, we are planning a new look for the West Rutland classroom. In addition, we are strengthening ties with other community-based organizations, such as the Rutland Area Parent Child Center and Rutland Head Start, to better serve young children and their families. Finally, and most exciting – we expect to have a newly equipped classroom in the Proctor Elementary School beginning next school year.

Even Start Program Coordinator – Judith Lashof

Intensive, integrated, family literacy services are now underway for families in the Rutland Central Supervisory Union. This project, now in its third year of funding by the Vermont Department of Education, is called Rutland Region Even Start. The RCSU has joined with Vermont Adult Learning, the Rutland County Parent Child Center, and Rutland County Head Start, to assist and support children birth through seven and their families to learn together. Even Start is caring, flexible, and family-centered. The partners knit together and build on existing services to meet each family's unique needs. Call Judith Lashof at 747-5094 if you or a family you know can benefit from Even Start.

The Even Start team provides home visits and support, fun family activities, adult education, early education, and parent time. This year twelve (12) families in Rutland Town, Proctor, and West Rutland have been served. Home visitor Mary Ellen Csizmesia and Vermont Adult Learning teacher Jim Ampatiellos have instructed, modeled, and coached parents in creating a nurturing environment rich in learning. The RCSU Early Education team joins them to present weekly family learning nights.

Respectfully submitted,
John E. Kaldy, Superintendent of Schools

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Town of Rutland, Vermont School District
Rutland, Vermont

We have audited the accompanying general purpose financial statements of the Town of Rutland, Vermont School District as of and for the year ended June 30, 2001, as listed in the table of contents. These general purpose financial statements are the responsibility of Town of Rutland, Vermont School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with U. S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include fixed assets in either the general fixed assets account group or the proprietary fund. Neither is depreciation expense recorded in the proprietary fund. These should be included in order to conform with U. S. generally accepted accounting principles. The amounts that should be recorded in the general fixed assets account group and the proprietary fund are not known.

In our opinion, except for the effects on the financial statements of the omissions described in the preceding paragraph, the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Rutland, Vermont School District as of June 30, 2001, and the results of its operations and the cash flows of its proprietary and nonexpendable trust funds for the year then ended in conformity with U. S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements

listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Rutland, Vermont School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, except for the effects, if any, of such adjustments which might be determined to be necessary to record fixed assets and any related depreciation, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated November 2, 2001 on our consideration of the Town of Rutland, Vermont School District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

NONCASH FINANCING ACTIVITIES - ENTERPRISE FUND

The District received federal commodities valued at \$4,750 during the fiscal year. It consumed \$4,619 of commodities during the same period.

See Notes to Financial Statements.

NOTES TO FINANCIAL STATEMENTS

Note 1.

Summary of Significant Accounting Policies

The financial statements of the Town of Rutland, Vermont School District have been prepared in conformity with U. S. generally accepted accounting principles (GAAP) as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant accounting policies of the District are described below.

Reporting Entity

The Town of Rutland, Vermont School District is organized, according to state law, under the governance of a five member elected Board of School Directors to provide public education for the children of the Rutland Town.

The Rutland Town School District, for financial reporting purposes, includes in its financial statements all funds for which the Board of School Directors is financially accountable. Financial accountability by the Board was determined on the basis of: control over the selection of management; accountability for fiscal matters; and degree of financial dependence.

Concentration of Risk

The Rutland Town School District operates a kindergarten to grade 8 public school located in the Town of Rutland. The District receives the majority of its revenues from taxes assessed on the Town's properties. Additionally, the District receives revenue from the State of Vermont and the U. S. Government as aid to education and as special education grants. The School District receives tuition for educating students residing in the surrounding communities.

Fund Accounting

The accounts of the District are organized on the basis of funds and account groups, each of which is considered to be a separate accounting entity. The operation of each fund is accounted for using a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenses or expenditures as appropriate. The District's resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds and account groups are included in the combined financial statements in this report as follows:

Note 1. Summary of Significant Accounting Policies (Continued)

Governmental Fund Type

General fund

The general fund is the general operating fund of the School District and accounts for all revenues and expenditures of the District not encompassed within other funds. All tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund. General operating expenditures and the capital improvement costs that are not paid through other funds are paid from the general fund.

Proprietary Fund Type

Food service enterprise fund

The Food Service Fund accounts for cafeteria operations in which the intent is that the costs of providing goods or services be financed through user charges. The School District does not maintain fixed asset records of the food service fund as required by U. S. generally accepted accounting principles.

Fiduciary Fund Types

Trust and agency funds are used to account for assets held by the School in a trustee capacity and/or as an agent for individuals, private organizations, other governmental units and/or other funds. These include nonexpendable and expendable trust funds and agency funds. The terms "nonexpendable" and "expendable" refer to whether or not the government is under an obligation to maintain trust principal.

Non-expendable trust funds are accounted for in essentially the same manner as proprietary funds since capital maintenance is critical. In the Rutland Town School District, the nonexpendable trust fund consists of a scholarship award that is under the custody of the Town Clerk.

Agency funds are used to account for assets that the government holds on behalf of others as their agent. These funds have no equity, assets are equal to liabilities, and do not include revenues and expenditures for general operation of the school district. The agency funds consist of Student Activity Accounts.

Account Groups

General long-term debt account group

The general long-term debt account group is established to account for all long-term debt of the District and for those long-term liabilities to be liquidated with resources to be provided in future periods.

Note 1. Summary of Significant Accounting Policies (Continued)

Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds and expendable trust funds are accounted for using current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The modified accrual basis of accounting is used by all governmental fund types, expendable trust funds and agency funds. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. A one year availability period is used for revenue recognition for all governmental fund revenues. Expenditures are recorded when the related fund liability is incurred. An exception to this includes payments on debt which are expensed when due.

Expenditures for insurance and similar services extending over more than one accounting period are accounted for as expenditures in the period of acquisition.

All proprietary fund types and nonexpendable trust funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included in the balance sheet. Proprietary fund-type operating statements present increases (e.g., revenues) and decreases (e.g., expenses) in net total assets.

The accrual basis of accounting is utilized by proprietary fund types and nonexpendable trust funds. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

In reporting the financial activity of its proprietary fund, the District applies all applicable GASB pronouncements as well as the FASB pronouncements issued prior to November 30, 1989 as prescribed by GASB Statement No. 20.

Intergovernmental revenues received as reimbursements for specific purposes or projects are recognized at the time of receipt or earlier if measurable and available. Intergovernmental grants which are restricted for certain purposes are recognized at the same time the related expenditures are recognized. Any excess of revenues or expenditures is recorded as deferred revenue or accounts receivable, respectively.

Note 1. Summary of Significant Accounting Policies (Continued)

Budgets and budgetary accounting

The Principal, through and with the review committee, submits to the Board of Directors, a proposed operating budget for the next fiscal year. The operating budget includes proposed expenditures and the means of financing them. The budget is prepared and approved on the modified accrual basis of accounting. The proposed budget is published and warned for the annual budget meeting and is distributed to the voters of the District. All annual appropriations lapse at the end of the fiscal year.

The general fund budget does not include on behalf payments as a revenue or expense. These on behalf payments are contributions made by the State of Vermont to the state teachers' retirement system on behalf on the School District's teaching employees.

Encumbrances represent commitments related to unperformed contracts for goods and services. Encumbrance accounting - under which purchase orders, contract, and other commitments for the expenditures of monies are recorded to reserve that portion of the applicable appropriation - is utilized in the general fund. Encumbrances outstanding at year end are reported as reservations of fund balances and do not constitute expenditures or liabilities because the commitments will be performed in the subsequent year. There were no encumbrances outstanding at June 30, 2001.

Cash

Cash includes amounts in demand deposits and savings accounts.

Accounts Receivable

Accounts receivable consist primarily of amounts due from the State of Vermont for the food service program and capital construction reimbursements. The receivables are reported net of an allowance of \$ 0.

Short-Term Interfund Receivables/Payables

During the course of operations, transactions occur between individual funds for goods provided or services rendered. These receivables and payables are classified as "due from other funds" or "due to other funds" on the balance sheet. Short-term interfund loans are also classified in this manner.

Inventories

Inventory in the Food Service Enterprise Fund is valued at the lower of cost or market using the first-in-first-out basis. The food service inventory has U.S.D.A. commodities donated to it that are recorded as revenue and expenses when used. That portion of the inventory at June 30, 2001 which is federal commodities is also shown as a liability titled unused donated commodities, since these are government assistance items and are not school assets. Inventoriable items in

Note 1. Summary of Significant Accounting Policies (Continued)

Inventories (Continued)

other funds are recorded as expenditures when purchased rather than when consumed.

Fixed Assets

Fixed assets are recorded in governmental funds as expenditures paid in the respective acquiring fund at the time of purchase. Such assets are not capitalized nor depreciated in these funds. U.S. generally accepted accounting principles require that fixed assets used in governmental fund type operations be accounted for in a General Fixed Assets Account Group. Fixed assets used in the proprietary fund are required to be capitalized and depreciated in the proprietary fund. The School District, however, has not maintained a record of its fixed assets, and accordingly, a General Fixed Assets Account Group has not been presented. Neither have fixed assets been recorded in the proprietary funds.

Compensated Absences

Vested or accumulated leave that is expected to be liquidated with expendable available financial resources is reported as an expenditure and a fund liability of the governmental funds that will pay it. Amounts of vested or accumulated leave that are not expected to be liquidated with expendable available financial resources are reported in the general long-term debt account group. No expenditure is reported for these amounts.

The School District uses the vesting method to accrue sick leave. Accordingly, the accrual is based on the sick leave accumulated at the balance sheet date by those employees who currently are eligible to receive termination payments, as well as other employees who are expected to become eligible in the future to receive such payments. To calculate the liability, these accumulations are reduced to the maximum amount allowed as a termination payment. Accruals for those employees who are expected to become eligible in the future is based on assumptions concerning the probability that individual employees will become eligible.

The School District allows teachers to accumulate unused personal days and sick leave up to a maximum of 120 days. A teacher, after ten to twenty consecutive years of service, shall collect \$25 per day on the accumulated unused personal and sick days up to 120 days. After 20 years of consecutive service, teachers are entitled to collect \$30 per day on the accumulated unused personal and sick days up to 120 days.

Fund Equity

Reserves represent those portions of fund equity either not appropriable for expenditures or legally segregated for a specific future use. Designated fund balances consist of those portions where there are tentative plans for future use of financial resources.

Note 1. Summary of Significant Accounting Policies (Continued)

Interfund Transactions

Quasi-external transactions are accounted for as revenues, expenditures or expenses. Transactions that constitute reimbursements to a fund for expenditures/expenses initially made from it that are properly applicable to another fund, are recorded as expenditures/expenses in the reimbursing fund and interfund transactions, except quasi-external transactions and reimbursements, are reported as transfers. Nonrecurring or nonroutine permanent transfers of equity are reported as residual equity transfers. All other interfund transfers are reported as operating transfers.

Statement of Cash Flows

For purposes of reporting cash flows, all highly liquid investments with an original maturity of three months or less are considered to be cash equivalents.

Total Columns on Combined Financial Statements

Total columns on combined statements are captioned "memorandum only" to indicate that they are presented only to facilitate analysis. Data in these columns do not present financial positions, results of operations or changes in cash flows in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District maintains commercial insurance coverage covering each of those risks of loss. Management believes such coverage is sufficient to preclude any significant uninsured losses to the District. Settled claims have not exceeded commercial coverage in any of the past three fiscal years.

In addition, the District is a member of Vermont School Boards Association Insurance Trust, Inc. (VSBIT) Medical Benefits Program. VSBIT is a nonprofit corporation formed in 1978 to provide insurance and risk management programs for Vermont school districts and is owned by the participating districts.

To provide health insurance coverage, VSBIT has established a self-funded fully insured program in conjunction with Blue Cross and Blue Shield (BCBS). A portion of member contributions is used to purchase reinsurance and to fund a reserve required by reinsurance. Contributions in excess of claims requirements, reserve funds requirements, reinsurance and administrative costs are returned to participants. The pooling agreement does not permit the pool to make additional assessments to members.

The School District has an agreement with the State of Vermont whereby it directly reimburses the State for unemployment compensation claims paid. No

Note 1. Summary of Significant Accounting Policies (Continued)

Risk Management (Continued)

estimate has been made of the District's potential liability for future claims. The District's unemployment compensation expense for the fiscal year 2000-01 was \$1,507.

Retirement Incentive Plan

A retirement incentive benefit is included in the teachers contract. An eligible teacher who meets certain conditions, has taught either full-time or part-time (prorated calculation) in the Town of Rutland, Vermont School District for a minimum of fifteen years, and retires under the plan shall receive payments totaling \$28,000. This will be paid in four equal annual installments; the first installment is due and payable on July 15, following the date of the teacher's retirement; subsequent annual installments will be paid on July 15 each year. The District is funding this on a pay-as-you-go basis. As of June 30, 2001, one teacher had elected to participate in this Retirement Incentive Benefit Plan. The future payments of \$28,000, arising from this program, are recorded in the general long-term debt account group. Expenditures recognized under this plan were \$8,333 for the year ended June 30, 2001.

Note 2. Reconciliation of Budgetary Basis and GAAP

The accompanying statement of revenues and expenditures - budget and actual - general fund presents comparisons of the legally adopted budget (more fully described in Note 1) with actual data on a budgetary basis. Because accounting principles applied for purposes of developing data on a budgetary basis differ significantly from those used to present financial statements in conformity with U. S. generally accepted accounting principles, a reconciliation of resultant basis, timing, perspective, and entity differences in the excess of revenues under expenditures for the year ended June 30, 2001, is presented below:

	General Fund
Excess of revenues over expenditures (budgetary basis)	\$ 74,236
Adjustments:	
To adjust for on behalf pension revenue	62,377
To adjust for on behalf pension expense	(62,377)
To adjust for billback of high school tuition	<u>65,709</u>
Excess of revenues over expenditures (GAAP basis)	<u>\$139,945</u>

Note 3. Public Employees' Retirement System

State Teachers' Retirement System

The teachers employed by the Rutland Town School District are covered by the State Teachers' Retirement System of Vermont which is a multiple employer retirement system. The Vermont State Statutes provide the authority under which benefit provisions and the State's obligation to contribute are established. Required contributions to the system are made by the State of Vermont based upon a valuation report prepared by the System's actuary.

All teachers become members of the retirement system upon employment. The membership is made up of contributory members from the "Old System" (Group A) who contribute at a rate of 5.5% and vested members of the new contributory system who contribute at a rate of 3.7% of covered payroll (Group C). The Rutland Town School District's Group C members contributed \$62,352 during the 2000-01 fiscal year. Vesting occurs upon reaching ten years of creditable service. The District's current year payroll for all employees totalled \$2,329,167 while its current year covered payroll for the State Teachers' Retirement Plan equaled \$1,838,049. The System's total contribution for the fiscal year 2001 was \$38,282,648. The amount of the contribution made on behalf of the Rutland Town's teachers was approximately \$62,377 for the year ended June 30, 2001. Additional information regarding the State Teachers' Retirement System of Vermont is available upon request from the State of Vermont.

Municipal Employees' Retirement System

The non-teaching employees of Rutland Town School District are covered by the Vermont Municipal Employees' Retirement System which is a cost-sharing multiple employer retirement system. All employees of participating employers who work more than an average of 20 hours a week on a calendar year or 30 hours a week on a school year, are required to participate in the Plan on their date of hire. Group A members contribute at a rate of 2.5%, Group B members contribute at a rate of 4.5%. The retirement benefit is equal to from 1.0 percent to 1.4 percent of their final average three or five year compensation, depending on the dates of service, for each year of credited service, up to a maximum of 50 percent of the applicable average compensation. Employer and employee contributions for the fiscal year were not material to the financial statements.

Additional information regarding the Vermont Municipal Employees' Retirement System is available upon request from the State of Vermont.

Note 4. Cash Deposits in Financial Institutions

The School District's cash deposits with financial institutions at June 30, 2001 were \$85,090.

Note 4. Cash Deposits in Financial Institutions (Continued)

There are three categories of credit risk that could apply to the School District's bank balances:

1. Insured or collateralized with securities held by the School District or by the School District's agent in the School District's name.
2. Collateralized with securities held by the pledging financial institution's trust department or agent in the School District's name.
3. Uncollateralized/uninsured.

At June 30, 2001 the carrying amount and bank balance of deposits were categorized as follows:

	Carrying Amount	Bank Balance
Insured by FDIC and FSLIC	\$85,090	\$100,000
Collateralized	-0-	-0-
Uncollateralized and uninsured	-0-	58,729
	<u>\$85,090</u>	<u>\$158,729</u>

Due to higher cash flows at certain times during the year, the District's uninsured and uncollateralized deposits at those times were substantially higher than at year end.

Note 5. General Long-Term Debt

The following is a summary of long-term debt transactions for Rutland Town School District for the year ended June 30, 2001:

	Debt payable at July 1, 2000	Debt Added	Debt Retired	Debt Payable at June 30, 2001
Accrued sick leave	\$ 85,278	\$ -0-	\$ 3,860	\$ 81,418
Retirement Incentive	8,333	28,000	8,333	28,000
Bonds payable	<u>1,315,000</u>	<u>-0-</u>	<u>100,000</u>	<u>1,215,000</u>
	<u>\$1,408,611</u>	<u>\$28,000</u>	<u>\$112,193</u>	<u>\$1,324,418</u>

Long-term debt outstanding at June 30, 2001 consisted of the following:

Vermont Municipal Bond Bank, issued for building improvements, semi-annual interest payments, at 3.9% to 5.85%; plus annual principal payments of \$80,000 until 12/1/10, \$75,000 thereafter; maturing 12/1/15	\$1,175,000
Vermont Municipal Bond Bank, issued for roof project, Semi-annual interest payments at 6.325% to 6.6%; plus annual principal payments of \$25,000 until 12/1/99, annual principal payments of \$20,000 thereafter; maturing 12/1/02	40,000

Note 5. General Long-Term Debt (Continued)

Retirement Incentive Payable (See Note 1)	28,000
Accrued compensated absences (See Note 1)	<u>81,418</u>
Total long-term debt	<u>\$1,324,418</u>

Maturities of the long-term debt with scheduled payments are as follows:

Year ending June 30	
2002	\$128,000
2003	100,000
2004	80,000
2005	80,000
Thereafter	<u>855,000</u>
Total	<u>\$1,243,000</u>

Note 6. Contingent Liabilities

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the government expects such amounts, if any, to be immaterial.

The District may be billed or reimbursed for tuition rate changes based on the actual expenditures incurred. The amount for the year ended June 30, 2001 is unknown and consequently no adjustment has been made to the financial statements.

Note 7. Long Term Contracts

Rutland Town School District has a 3 year contract with Transportation Rentals, Inc. to provide student transportation through the 2004 school year. Additional charges will be billed for field trips at the rates of \$14 per hour and \$1.35 per mile. Total pupil transportation charges were \$155,995 for the school year 2000-2001.

The School is leasing copiers through operating leases with minimum monthly payments of \$816 plus additional costs on a per copy basis. The leases will expire in the 2004-2005 fiscal year. Rent expense under these leases was \$14,462 for 2000-2001.

Commitments under the above contracts provide for minimum annual rental payments as follows:

Year ended	Copiers	Buses	Total
2002	\$ 9,792	\$151,488	\$161,280
2003	9,792	154,518	164,310
2004	9,792	157,608	167,400
2005	3,948	-0-	3,948
Thereafter	<u>-0-</u>	<u>-0-</u>	<u>-0-</u>
Total	<u>\$33,324</u>	<u>\$463,614</u>	<u>\$496,938</u>

Note 8. Additional Required Disclosures

The proprietary fund had a deficit in retained earnings of \$15,719. This is to be liquidated through future operations.

Note 9. Subsequent Event

On July 23, August 9, August 31, and September 7, 2001 the district borrowed, in total, \$400,000 from the Town's General Fund at 4.6%. This current expense note was repaid on September 17, 2001.

ANNUAL REPORT - 2001
RUTLAND REGIONAL PLANNING COMMISSION

The Commission's Mission is to "provide leadership and technical expertise to encourage cooperative planning with and among the region's communities and area wide interests; and, strive to improve the quality of life for people in the region by promoting harmony between sustainable economic development, environmental interests and other planning issues."

In pursuit of that Mission, the Commission continued to work closely with the region's 27 communities to create a cooperative and positive planning process and:

- Provided technical assistance on community development issues - including planning, zoning, mapping, build-out analysis, subdivision - to Benson, Brandon, Clarendon, Castleton, Danby, Middletown Springs, Hubbardton, Fair Haven, Pawlet, Pittsford, Proctor, Poultney, Rutland City, Rutland Town, Shrewsbury, Sudbury, Tinmouth, Wallingford, Wells and West Rutland.
- Assisted Hubbardton, Poultney, Rutland City, Wallingford, Rutland Town and communities within the Solid Waste Alternatives Committee, apply successfully for funds through the Municipal Planning Grant program.
- Continued our very successful cooperative purchasing program which has saved the towns of Chittenden, Hubbardton, Ira, Killington, Pawlet, Shrewsbury, Tinmouth, Wells and West Rutland as well as in Castleton, Clarendon, Danby, Fair Haven, Hubbardton, Ira, Mendon, Middletown Springs, Poultney, Rutland City, Shrewsbury, Tinmouth, Wallingford, Wells, substantial amounts on their fuel oil, diesel and gasoline.
- Continued support of the Rutland Region Transportation Council in their planning for the future transportation needs of the Rutland Region and closely cooperated on the preparation of an updated Rutland Region Transportation Plan.
- Greatly expanded the capacity of the GIS [geographic information system] to provide expanded mapping, data, and community analysis.
- Worked with the Rutland Economic Development Corporation, and the Rutland Region Chamber of Commerce on a regional strategy to better coordinate community development, economic development and travel and tourism activities.
- Revised and re-adopted the Rutland Regional Plan.
- Assisted communities with emergency management planning.
- Hired additional staff to better serve the Region's communities.
- Continued to offer training programs to municipal officials and to pay for those program related to planning and zoning and other community development issues.

Please join us as we continue these and other efforts to generate regional cooperation and make planning in Rutland County a truly grassroots process.

For the *fourteenth* consecutive year, *dues will remain at \$500*. All communities are voting members of the Commission regardless of whether or not they pay dues. Dues paying members receive discounted technical services and are able to participate in the cooperative fuel purchasing program.

A Comprehensive Medicare Certified Home Health Agency

7 Albert Cree Drive
Mailing Address:
Post Office Box 767
Rutland, VT 05702-0767

RONALD J. CIOFFI, EXECUTIVE DIRECTOR
TIMOTHY P. COLLINS, BOARD OF DIRECTORS

Rutland Town

TO THE TOWN MANAGER, OFFICERS AND CITIZENS OF RUTLAND TOWN:

This past year in home health care has been as dynamic and challenging as any the Rutland Area Visiting Nurse Association & Hospice (RAVNAH) has faced in our 54 year history. We are proud to say that RAVNAH is a "survivor." Since the introduction of the Balanced Budget Act (BBA) of 1997, we have seen revenues decrease two million dollars and visit volume decrease 40%. Over 30% of home health agencies did not survive the devastating cuts and regulatory burdens of the Balanced Budget Act.

Despite the turmoil in the home care industry, RAVNAH continues to be a viable organization with a bright future. We are proud to report on a number of successes we have achieved:

- Provided over 88,800 home care visits to 2,424 individual patients.
- Worked collaboratively with our partners in the community in increasing flu vaccinations 56% in people over the age of 65.
- Expanded our Support Services program through a \$117,000 grant from the Department of Aging and Disability.
- Launched the Vermont Medication Bridge Program to assist low income Vermonters obtain free or low cost prescription drugs from the nation's drug manufacturers.
- Established the Going Home Program, a collaborative effort with Rutland Regional Medical Center, that will increase the percentage of patients going home who otherwise would be waiting for nursing home placement.
- And for the second time achieved successful accreditation by the Joint Commission on Accreditation of Health Care Organizations.

RAVNAH continues to keep its promise of providing quality healthcare to our community. In the town of Rutland Town we provided 3,159 visits to 53 individuals.

To the individuals and organizations of the town of Rutland Town that have supported us during 2000, we are truly thankful. With your support, RAVNAH will continue to meet our mission "to enhance the quality of life of all we serve through comprehensive home and community health services."

Again, we say thank you for your support.

REQUEST FOR TOWN FUNDING

TOWN OF: **RUTLAND TOWN** AMOUNT REQUESTED: **\$670.00**

RSVP is an "Invitation to Serve" program for people of all ages who want to meet community needs through meaningful use of their skills, talents, interests and knowledge in volunteer service to non-profit organizations. Needs are met in critical areas such as human service, health, state and local government, education, literacy, and the arts, just to name a few. RSVP involves individuals in service that matches their personal interests and makes use of their varied life and professional experiences. Through such efforts, RSVP is meeting the needs that strained local budgets cannot afford. RSVP enables people to contribute to their communities and feel good about themselves through the rewarding experience of volunteering. Additionally, over the past 3 years RSVP has implemented new programming to address pressing community needs. These programs include an America Reads program aimed at enhancing literacy among elementary school children and an Osteoporosis Exercise Program which provides free exercise classes with RSVP volunteer instructors to Rutland County residents.

Locally, RSVP is the largest program of coordinated volunteer services serving the people of Rutland County with 538 volunteers. From July 1, 2000 through June 30, 2001, volunteers in Rutland County provided 68,895 hours of community service. The cost benefit to the communities of Rutland County in terms of cost of services provided equals \$957,640.

Once again this year RSVP is not asking for additional monies from the Town of Rutland. The monies we are requesting this year will be used to help defray costs of providing volunteer placements, support, insurance, transportation, and recognition. RSVP continues to strive to provide needed and supplemental services that enhance the quality of life for citizens of all ages throughout Rutland County.

Currently in Rutland Town, 47 volunteers donate their services to the following non-profit organizations: RRMCM, BROCC, Headstart, Community Cupboard, Rutland Town School, Rutland Area Art Association, Eden Park Nursing Home, RSVP Goodtime Singers, Pleasant Manor Nursing Home, Godnick Senior Center, RSVP Rutland Senior Chorus, National Council of Senior Citizens, College of Saint Joseph, USDA Soil Conservation Agency, Rutland Mental Health Services, One-2-One, Dismas House, non-profit board member, Genesis Elder Care, Northeast and Northwest Elementary Schools, Southwest Vermont Council on Aging, West Rutland School, Crossroads Arts Council, Muscular Dystrophy Association, Rutland Area Visiting Nurses Association and Hospice, The Rutland Partnership, Congressional offices, Mountain View Center, Orton Family Foundation, Rutland Economic Development, Kids on the Move, Rutland Intermediate School, Rutland High School, VT Criminal Justice Training Center, Rutland City Police. The volunteer services they provide include: knitting and sewing clothes for children, tutoring and mentoring in area schools, mailings, entertaining in the area nursing homes and schools, teaching and performing arts and crafts, greeting people at RRMCM and providing information at the front desk, clerical assistance, delivering and preparing meals, driving for elders and the disabled, friendly visitations, cooking assistance, community relations, fund-raising, bingo aides, recreation leaders, clowning, and an array of special projects including Rutland County Reads, research, library aides, exercise leaders for the RSVP Osteoporosis Program.

On behalf of RSVP, I would like to thank the residents of Rutland Town for their support in the continuation of the RSVP program. As financial constraints effect more and more non-profit organizations, the need for volunteers increases. With your help, RSVP will continue to respond to this need.

Sincerely,

Nan M. Hart, Director

REGIONAL AMBULANCE SERVICE, INC.

275 Stratton Road
Rutland, VT 05701

18th ANNUAL REPORT

(Fiscal Year Ending June 30, 2001)
18 Years of Service 1983 - 2001

To the Honorable Citizens of Rutland Town, VT:

We are pleased to present our 18th annual report to the Citizens we serve. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service for seventeen years. From 1983 to the end of this year Regional has responded to 77,261 ambulance calls. This past year, ending June 30, 2001, the service responded to a total of 6,349 ambulance calls in our 12 communities and an additional 1,234 "Medic One" paramedic intercept calls.

Call volume increased by 685 calls over the previous year. We commend our staff for keeping up with the increased demand and for providing excellent service. We are also very pleased to congratulate Kandis Holden for being honored as our "Star" at the American Ambulance Association's Star of Life celebration and James Collins for receiving the Vermont Paramedic of the Year award.

With the continued support of the citizens, our employees, and community governing bodies, we have been able to level fund or lower our assessment rate for the past 17 years. Our current assessment rate is \$4.75 per capita. The public support of our Membership program, direct donations, memorials and estate gifts has been vital to our continued success. We extend our appreciation to everyone for their support.

This past year one of our ambulances was hit in the side and the vehicle was totaled. Thankfully our personnel were not hurt. This forced us to rent an ambulance until the new ambulance is built and delivered. Two other ambulance boxes had been remounted on new chassis, saving over \$40,000, and due to the higher call volume, we have added a 6th ambulance.

Our motto "Serving People First with Pride, Proficiency and Professionalism" is demonstrated by our employee's commitment to continuing EMS training. Each year we have special training in Critical Care Paramedicine, Advanced Cardiac Life Support, Basic Life Support, Prehospital Advanced Trauma Life Support, Pediatric Advanced Life Support, Emergency Vehicle Operator, Bloodborn Pathogen and a variety of continuing education programs. Our professional staff is extremely capable and dedicated.

Monthly C.P.R. classes are taught at Regional Ambulance. Last year, through the R.A.S. Training Center, 1,107 people were certified in C.P.R. Tours, lectures, demonstrations, and C.P.R. classes are available for the general public. For further information call 773-1746.

The public is encouraged to visit and talk to the employees and Administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your Representative, if you have any questions concerning the service.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors, Administration and employees of Regional Ambulance Service, Inc. will continue working to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely, Paul Kulig, President
R.A.S. Board of Directors

Rutland Town Representative
R.A.S. Board of Directors

SOUTHWESTERN VERMONT COUNCIL ON AGING

Report to the Citizens of Rutland Town

This report provides information about the different ways the Southwestern Vermont Council on Aging helped elders in Rutland Town during the past year. These included:

Senior Meals: The Council provided major funding support for home delivered meals served to 30 elder residents of Rutland Town. This funding helped supply 3,405 meals that were prepared and delivered to the homes of older persons in your community who were homebound and in need of meal support. This service is provided through contract and is often called "Meals on Wheels". We also provided "Blizzard Bags" to Meals on Wheels participants and other isolated elders in your community. These bags contained shelf-stable meals for use in a weather related or other emergency situation. In addition, 44 elders participated at one or more of the senior luncheon sites available in our region, enjoying 983 meals.

Case Management Assistance: 37 elders were served by Case Management staff who provided help with applications, recertifications and problem solving around programs such as Fuel Assistance, SSI, Medicaid, Medicaid Waiver, Food Stamps, etc. Case Managers also assisted frail elders with long term care needs, helping those who wished to remain independent explore available options and connect with vitally important services and supports.

Other Services The Council on Aging also provided: 1) Telephone support through our "Senior HelpLine" (786-5991 or 1-800-642-5119). This provided easy phone access to elders, family members and others in need of information about available services and supports; 2) Mental health and emotional support through our Elder Service Clinician and Peer to Peer volunteers; 3) Health benefit counseling information and form filing assistance through our HICA Program; 4) Legal service support through a contract with the Senior Law Project; 5) Information about elder issues through the "Elder Connection" column appearing weekly in the Rutland Herald, written by Barbara Hanson; 6) Transportation assistance through Elders on the Go and the One-2-One Program; 7) Senior Companion Program which provided volunteers who received a modest stipend to provide support to homebound elders in need of special attention.

VERMONT ASSOCIATION FOR THE BLIND AND VISUALLY IMPAIRED

Below is our submission for your town report:

Thank you for making vital services for your blind and visually impaired neighbors a priority. For 75 years The Vermont Association for the Blind and Visually Impaired (VABVI) has been providing service, training and support to visually impaired Vermonters of all ages. Our mission is to enable Vermonters with vision problems, whether blindness or impairment, to achieve and maintain independence. We are the only private organization in the state providing direct services to visually impaired Vermonters.

Our services for children include one-on-one intensive work with children, their families and teachers. In addition, we have educational overnight camps each winter and summer and we have a transition program for teenagers preparing for college or independent living. Services for adults include: individual and group rehabilitation training and peer support; orientation and mobility training; access to and training on adaptive equipment and technology. We provide a range of volunteer services including transportation, in-home assistance, companionship and Braille transcription.

Services are provided to any visually impaired Vermonter who needs them, regardless of their financial situation. With offices based in Brattleboro, Burlington, Montpelier and Rutland, we reach Vermonters in every corner of the state. During fiscal year 2001 we provided assistance to 1,331 clients, including 152 in Rutland County and 70 in Rutland. If you would like additional information about VABVI services or volunteer opportunities, please call our Rutland office at (802) 775-6452.

THE VERMONT CENTER FOR INDEPENDENT LIVING SUMMARY FOR THE TOWN OF RUTLAND ANNUAL REPORT

The Vermont Center for Independent Living (VCIL) teaches people with significant disabilities how to gain more control over their lives and how to access tools and services to live more independently. We also conduct public education and systems change activities that promote the full inclusion of disabled people into community life.

An estimated one in five Vermonters has a disability. The Vermont Center for Independent Living, a private not-for-profit corporation, is Vermont's first and only cross-disability center for independent living and the first organization in the state to be directed and staffed by a majority of people with diverse disabilities.

Statewide, in FY 2001, from October 1, 2000 through September 30, 2001, VCIL responded to almost 1,600 requests from individuals, agencies and community groups for information and referrals on a broad range of subjects related to living with a disability. We provided one-on-one peer counseling to 76 individuals to help increase their independent living skills and life opportunities; provided almost 500 households with financial and technical assistance for making their bathrooms and entrances accessible to a disabled family member; provided over 150 individuals with personal assistance and/or assistive technology; provided communications equipment to 227 Deaf, hard-of-hearing or speech-impaired individuals through our Telecommunications Equipment Distribution Program, and served home-delivered meals to almost 300 Vermonters through VCIL's Meals On Wheels program for Individuals Under 60 with Disabilities.

VCIL's main office is in downtown Montpelier with three smaller regional offices in Bennington, Brattleboro and Burlington. The Montpelier office houses our resource library and our toll-free information line, which provides answers to disability related questions from every Vermont community. Our locally based Peer Advocacy Counselors are available to people with disabilities in every municipality in Vermont.

During FY 2001, VCIL provided direct services to 154 residents of Rutland Town and Rutland City utilizing the following services/programs: information & Referral, the Home Access Program, the Peer Advocacy Counseling program, Meals On Wheels, the Sue Williams Freedom Fund and the Vermont Telecommunications Equipment Distribution Program.

To learn more about VCIL, please call us toll-free at 1-800-639-1522 or visit our new web site at www.vcil.org.

In the year 2001, 25 towns in Rutland County supported the work of Rutland Mental Health Services through town giving. Our agency is committed to providing quality services regardless of an individual's ability to pay. The generous support of towns such as Rutland assures that quality services are available for their families, friends and neighbors. Town giving dollars support services which include:

- Individual Counseling for Children, Adults and Families
- Substance Abuse Treatment Services
- Emergency/Crisis Services

During fiscal year 2001, Rutland Mental Health Services provided 5,613 hours of services to 130 Rutland Town residents.* We value our partnership with the Town of Rutland in providing these much needed services and thank you for your continued support.

Mark G. Monson

President and Chief Executive Officer

*The above statistics reflect a change in data collection in compliance with State of Vermont reporting requirements. Please contact Rutland Mental Health Services if you have any questions.

VERMONT LEAGUE OF CITIES AND TOWNS UPDATE OF ACTIVITIES, 2001

The Vermont League of Cities and Towns (VLCT) was organized 34 years ago to meet the education, advocacy, and group purchasing needs of cities and towns in Vermont. Proudly, today we are still a member-driven organization independent of state and federal government. We continue to depend on the membership of local governments for our sole support. Cities and towns around the state thank you for that support again this year. We are governed by a thirteen member board of directors, all of whom are local officials. This year Bill Shepeluk, Municipal Manager in Waterbury, is president of VLCT.

If you are newly elected this Town Meeting, congratulations! Please plan to use VLCT as a resource.

VLCT puts considerable effort into providing education for its members, an effort that is increasing in 2002. In addition, VLCT provides handbooks on specific subjects to guide local officials in the discharge of their responsibilities. Staff travel on request to member towns to provide technical assistance on topics such as insurance packages, personnel recruitment, mediation and negotiation. Thousands of questions are answered every year from virtually every member municipality about almost any local government subject you can imagine. The *VLCT News* and *Weekly Legislative Report* provide municipal officials with up-to-date legislative coverage along with articles of special interest on topics such as workplace safety, court cases affecting local governments, and municipal planning and zoning. Interested persons may access that information and much more through VLCT's web site (www.vlct.org).

VLCT offers to municipalities insurance "trust" programs that save local taxpayer dollars every year because member municipalities pool their resources to purchase insurance coverage. In 2000 and 2001, the VLCT Health Trust held insurance rate increases to 10%, well below statewide trends, thus saving member municipalities hundreds of thousands of dollars. The VLCT Property and Casualty Intermunicipal Fund (PACIF) returned another \$412,000 to its 232 member municipalities, and the VLCT Unemployment Insurance Trust returned \$188,000 to its members.

VLCT also represents the interests of local government in the Legislature, using VLCT's *Vermont Municipal Policy*. This policy is developed by four committees of local officials and adopted by vote of member cities and towns at the VLCT annual meeting, held September 27, 2001 in Killington. Each city and town is entitled to a vote at the annual or any special meetings.

RUTLAND REGION TRANSPORTATION COUNCIL

The Rutland Region Transportation Council provides a forum for the development of regional transportation policies and priorities and coordinates the implementation of those policies and priorities with the Vermont Agency of Transportation. It is one of 12 regional "transportation advisory committees" (TACs) that VTrans relies upon for local information and opinion. The financial support for the Council comes from State and federal funds. The Rutland Regional Planning Commission provides planning, administrative, and geographic information system staff to the Council.

All municipalities in the Rutland Region can send a voting representative to Council meetings which are held monthly, on the fourth Thursday, in Rutland. The meetings are open to the public and anyone with an interest in transportation is invited to attend.

Over the past year the Rutland Region Transportation Council has:

- **Adopted** a revised **Rutland Region Transportation Plan** in cooperation with the Rutland Regional Planning Commission;
- Continued to **address seasonal transportation problems** along VT 103, VT 100, and US 4;
- Continued to **assess Rutland Region's top transportation problems** and identified areas that should undergo further evaluation; from a regional perspective, improvements to the Route 7 and 4 corridors are always high priorities;
- Assisted in the **Brandon/Pittsford Bypass Scoping Study** providing social and economic information on the impact of alternative bypass routes;
- Commented on VTrans' Capital Budget and Program;
- Developed a **database** of conditions on the region's State and Class 1 highways to facilitate decisions on **access management**;
- Worked with representatives from Rutland City and Rutland Town to identify **measures to improve US 4 and US 7** in those communities;
- Helped collect **local traffic data** using the Commission's automated traffic counters which are available for use by communities;
- Began development of a program to **assist towns with road inventories** by providing some equipment along with information on a variety of inventory methods. This will include GPS of transportation facilities - culverts, bridges, highway problem areas;
- Informed communities of opportunities presented by new state transportation programs;
- Published and distributed reports, bulletins, fliers, and newsletters; and
- Maintained the Council's web page - www.rutlandrpc.org and click on "Transportation Council".

The Council continues many of these programs and is undertaking other initiatives; please join us in these active efforts to improve transportation in the Rutland Region.

Vermont Coalition of Municipalities Annual Report – October 2001

There continue to be serious problems with Act 60 that raise the question of how long this system of financing education should be maintained. Over half the public now say it is not working.

The Vermont Coalition of Municipalities, whose membership now numbers fifty-five towns and cities (both sending and receiving) is united in the belief that *Act 60 is not a viable solution to the problem of providing equal education opportunities for all students*. The Coalition continues to try to bring about the replacement of Act 60 in the following ways:

- Public information,
- Legal action,
- Lobbying at the legislature, and,
- Developing a better education financing system.

Public Information

Last year the Vermont Coalition of Municipalities commissioned a report by Richard Heaps and Arthur Woolf of Northern Economic Consulting to evaluate Act 60. Over 250 copies of the fifty-eight page "Evaluation of Act 60, Vermont's Education Finance Law", were distributed to the public and legislators. Also, two full-page ads were taken out in all the statewide newspapers giving details of the report and concluding that Act 60 has failed and it needs more than a quick fix.

Now, one year later, an update of this evaluation has been completed by the consultants and the findings show that Act 60 continues to fail in its goals and, in fact, is getting worse. The new report shows:

- Act 60's education fund will have a deficit of \$24.1 million in FY03 and will continue to run deficits in the foreseeable future.
- The total education tax bill for the typical family is 29 percent higher than four years ago.
- Taxes for businesses and households that do not qualify for a prebate check from the state are, on average, 38 percent higher in 207 towns.
- Total education spending by state and local governments in Vermont increased 26.3 percent from FY98 to FY02 and now totals nearly \$910 million. When the \$73 million in prebate checks is added in, total costs for the education financing system reach \$983 million, even though we have fewer students.
- Local share payments continue to increase at dramatically higher rates than the education grant. A 6 percent increase in total school spending in FY03 would cause the local share payments to increase by nearly 23 percent.
- Only one-third of the homeowners in Vermont use the income sensitivity provisions, while another one-third use the homestead exemption feature. The last one-third receive nothing at all.

Information from this report will be widely distributed, as it has been in the past.

Legal Report

The Vermont Coalition of Municipalities has joined the town of Killington in a law suit in Rutland Superior Court challenging the accuracy and reliability of the way the State of Vermont determines the equalized education property grand list in every town. After several years of trying to "get our day in court" the trial finally began in October, and a decision is expected sometime in November or December. If we win this case, we will strike at the heart of the way the statewide property tax is determined.

The Coalition contends that the methodology used by the State does not create an "equalized" education property tax grand list in the municipalities. The property taxes imposed under Act 60 are instead, derived from inherently unreliable, capricious and arbitrary appraisal values reflected in the statewide equalized education property grand list.

Equalization Accuracy The Coalition has filed the lawsuit because there is a large impact on accuracy because of the way the State equalizes grand lists. A property valuation study of towns representing 17 percent of Vermont's grand list showed \$1.2 billion in property value that was not accurately equalized by the State. This means that a substantial number of property owners are being taxed unfairly.

What about the Statewide Property Tax? If our lawsuit is successful in declaring the state equalization process invalid, then there are three possible scenarios to correct the problem: spend huge sums of money to make the process fair; appraise county- or region-wide; or eliminate the statewide property tax and use another method to finance education.

We believe the only acceptable solution is to replace the statewide property tax with a fairer system.

Lobbying at the Legislature

The Coalition was heavily involved throughout the last legislative session through lobbying, meetings with legislators, letters explaining our position and testifying before legislative committees in Montpelier. Through these contacts we presented both our long-term and short-term goals to reform Act 60.

We made sure our views were heard; however, by the end of the session we were disappointed in the results of the efforts to reform Act 60. But the fight continues, and we will continue to press our case during the next legislative session.

Coalition Position on Act 60:

In the long term, we favor and will work toward complete elimination of the statewide property tax for the following reasons:

- Research has shown that the procedures used to create an equalized grand list are grossly inaccurate and unfair and would be too costly and, very likely, impossible, to correct.
- It moves control of locally-generated revenues from the local to the state level, thus disconnecting any accountability in education spending from taxes.
- Although the property tax is now a state tax, it still falls upon local officials to bill and collect it and take the blame for it.
- It destroys or inhibits economic development on the local level.
- The State is over-relying on the property tax to fund education.
- It is a costly system to administer. Those funds should be left at the local level.

In the long term we also favor:

- Creating a system that maintains a 50/50 balance between local property tax support and State General Fund support for education spending;
- Cost containment measures that control excessive yearly increases in school spending.

Developing a Better Education Financing System

We believe that the solution to replacing the statewide property tax is to develop a system of education finance that combines State General Fund revenues with the local property tax and also includes some recapture provision for low tax burden, property wealthy towns.

The specific plan we have recommended to finance education is called the "Controlled Tax Burden" (CTB) plan, which is similar to Education Revenue Sharing (ERS) but includes a recapture provision that requires each town to have a minimum tax burden.

Vermont Department of Health
Annual Report – Town of Rutland Town

The Vermont Department of Health works to protect and promote the health of all citizens. The following are some of the essential services available to residents of Rutland Town.

- **The Special Supplemental Food & Nutrition Program for Women, Infants and Children:** 'WIC' assures a steady supply of nutritious foods to eligible individuals during pregnancy and early childhood. The average value of foods provided is \$35.00 per person per month. During 2000, **40 women, infants and young children** living in **Rutland Town** received foods as well as health screening and nutrition through this program.
- **Reportable Disease Investigation:** The Department of Health investigates all cases of reportable diseases such as hepatitis, meningitis, measles, pertussis (whooping cough), and epidemic diarrhea to determine the cause, to recommend measures to control including current treatment standards, and to prevent further spread of the disease. In 2000, the department investigated **144 cases of disease in Rutland County.**
- **Commodity Supplemental Food Program:** 'CSFP' is a US Department of Agriculture nutrition program –new to Vermont- that offers nutritious foods and nutrition information to eligible individuals.

From start-up of this service to 10/09/01, **919 elders, women and children** received boxes of food at distribution sites within the Rutland District Office service area. These included foods such as canned meats, fruits and vegetables; powdered and evaporated milk; cereal; fruit juices; cheese, and other staple items. Each box is worth about \$50.00.

In addition, new public health issues emerge every year. Some new public health issues and challenges being addressed by the Health Department include emergency preparedness for natural or manmade disasters; expansion of substance abuse (including heroin, alcohol, marijuana and other drugs) prevention and treatment; and access to health care including mental health, special health needs and dental care.

If you would like more information about these efforts, or if you have a health concern, please call the Vermont Department of Health Rutland District Office at 786-5811. Please visit our website at www.state.vt.us/health for recent publications, news updates and other current information.

ARC - Rutland Area

Advocacy, Resources & Community for citizens with developmental disabilities and their families

A United Way member agency

2001 ANNUAL REPORT

The mission of ARC - Rutland Area is to advocate, nurture and support the right of each individual with developmental disabilities to be valued with the same entitlements as a non-disabled individual, including the right to lifelong opportunities for personal growth and full participation in the community.

In 2001, we were representative payee for about 50 clients referred to us by Social Security and the local mental health center. We assisted these clients in managing within their budget limitations; quite an accomplishment for people living on the limited resources of SS and SSI. We were involved in every operation from payment of bills, rent etc. to dispensing personal expense monies on a weekly basis. We negotiated and mediated between landlords, service providers and businesses in cases where a client was unable to resolve an issue independently. The man hours involved in managing one's case averages from several hours monthly to 3-4 hours weekly, dependent on need. As well, we assisted about 11 clients in filling out annual accounting forms for probate court.

Five (5) dances were provided - Valentines, Spring Fling, Summer, Halloween, and our annual Christmas Dinner - and a Summer Picnic / Annual Meeting - over the year these events were attended by 218 people with developmental disabilities, friends and families. There are also ongoing weekly events such as the art class and the music & movement class.

ARC - Rutland Area supports the local Self-Advocacy group for people with developmental disabilities by doing the minutes and preparing the agendas for the group and then helps with facilitating the meeting. The Self-Advocates have made two more videos on Rutland Region Community TV with our support and to date have made ten shows. Many citizens are getting to know the self-advocates better through this service and they are gaining valuable public speaking skills. This year the self-advocate group also sponsored a "How to Stay Safe" training and have plans of doing a "Disability Awareness" training in schools soon.

Our Executive Director is a member on the Rutland Regional Board of Family Services community board, which is an agency that collects and disseminates information and encourages collaboration within the Service Providers in Rutland County. She also is part of the Rutland Family Support Network which is lead by parents to gather information families need, create goals to some system changes and network via the internet, brochures, forums and newsletters. The ARC director also co-facilitated the Vermont Community Leadership Training 22 week course. By staying in touch with other state level organizations and working collaboratively with local organizations ARC-Rutland Area stays on top of the services being provided to people with developmental disabilities and has an outlet to advocate for those services that are not being offered.

On behalf of the Board Members, friends, and families; we are grateful for the support and continued assistance from the citizens of Rutland Town. We receive neither state nor federal funding, and our main sources of income continue to be United Way, Rutland City and other towns such as Rutland Town. In 2001 residents of Rutland Town took advantage of all the services we offer. Our 2002 request for funding from Rutland Town is again \$800.

Sincerely,

Lisa S. Lynch
Executive Director

Rutland Free Library Association, Inc.
ANNUAL REPORT 2000-2001

Over a century ago Charles Dickens wrote at the beginning of his great saga, *A Tale of Two Cities*: "It was the best of times, it was the worst of times." As with all classic pieces of literature, the truth of a particular situation is timeless and universal.

This year has been one of great ironies as we have experienced both fortunes and misfortunes that will continue to effect nearly every library user in for the foreseeable future. Within days of learning Rutland Free would be eligible for a Freeman grant of \$500,000 for new materials, new technology and new services, we lost 20% of our operational funds for the upcoming year when Rutland Town voters defeated the library appropriation by eleven votes. The subsequent re-vote in June did not change this bleak picture. The Freeman Funds had been designed to help libraries move more quickly into a changing picture of information delivery services, not for supplementing current funds or relieving local tax burdens, thus increasing the irony of the Rutland Town loss. Not only does it appear that our exciting plans WILL become a reality with these special, one-time funds, the changes will be unavailable to many town residents now forced to pay for a card at the cost of \$27 per person, rather than under \$20 per household. A number of families and senior citizens have suffered as a result. The Board of Trustees also lost two excellent, dedicated town representatives.

The announcement of the Freeman gift to all qualified public libraries in Vermont came on the heels of several other grant notifications for us: \$50,000 from the state library, \$17,500 from the Bill & Melissa Gates Foundation, and \$4,000 from the IBM Corporation, each for technology improvements. And so the library has continued to carry out extensive plans for both physical and service improvements as its very underpinnings of local support have been badly eroded.

How the library is funded is not well understood and how vulnerable it is has been too clearly demonstrated. Through the cooperative efforts of five communities the library, an incorporated 501c3 non-profit institution, has offered extensive hours, services and resources to the region. When one community pulls out of that cooperative network, every remaining citizen is affected. Unlike 45 other states, Vermont offers no direct tax support to its public libraries, though consultant services, some shared reference services and small traveling collections are available.

To address this problem of support and perceived fairness we have asked each select board and the city's board of aldermen to send one representative to a series of summit meetings that will be held in the fall and early winter of 2001, for the purpose of seeking a more stable and equitable means of local support for this uniquely American institution – a local and free public library. All five communities have agreed and meetings are expected to start in October.

In the meantime...the library has continued to serve the region in many ways. Kids read at least 52,232 books this year and their elders nearly doubled that at 94,746. We answered over 1,000 reference questions every month and held over 275 programs in the Nella Grimm Fox Room. Over 6,000 people attended these programs, many of them also visiting resources downstairs, for a total visitor count of over 127,000. Over 16,000 people in the region carry a Rutland Library card. We began the purchase and upgrade of our ten-year old automation system, scheduled for public introduction in August and with it, the expansion of our Internet Access terminals from three to six. We expect the number of Internet visitors to exceed 15,000 in the coming year. We have continued to build coalitions with other local organizations to provide a more comprehensive network of services to the community, most recently in the areas of literacy and health.

The building was at last given some attention as we had the sinking front steps from 1858 lifted up, painted trimwork that hadn't been touched in over twenty years, added some storms and screens and replaced the lobby's deteriorating and unsafe floor with a durable porcelain tile that recreated the original floor color and pattern. Many additional physical improvements are planned for the coming year when Freeman funds are released: air conditioning, shelving, carpeting, efficient lighting and more seating, as well as a large influx of new formats: DVDs, e-books, CDs, online full-text database services and expansion of audio/visual collections as well as books.

The library's current staffing, hours and services are on a month-by-month review basis as the new fiscal year begins without Rutland Town support. It is, indeed, the best and worst of times, made bearable with a determined staff, a committed board and legions of library users who cannot imagine life without a public library. We have a year of hard work ahead to insure that the unimaginable does not become a reality through inattention to solvable problems.

Paula Baker, *Director*

RUTLAND ECONOMIC DEVELOPMENT CORPORATION

Ever since its beginning in 1937, REDC has sought to bring together local business and community members to improve the Rutland region. From our first project to provide parking for downtown merchants to the many loans we currently provide to local business owners, we have remained committed to the concept that the standard of living and quality of life of the region's citizens can best be served by a vibrant, healthy economy, sensitive to the environment and preservation of our cultural heritage.

Our goal, therefore, is to attract and retain businesses that will provide quality job opportunities so that all of our citizens benefit. By working with companies to find suitable buildings in which to grow, obtaining state tax credits, and financing through various means, REDC helps many small businesses grow and prosper in Rutland County. Our partnership with the Small Business Development Center (SBDC) and Vermont Manufacturing Extension Center (VMEC) means that we can support these small businesses even further with other services that will increase their efficiency and profitability.

More information about our many services is available on our website at www.rutlandeconomy.com or by e-mailing us at redc@rutlandeconomy.com.

ENHANCED 9-1-1 BOARD REPORT

Statewide System Operations

The following information is from the period 1 January 2001 to 30 November 2001.

Total 9-1-1 Calls Received	187,173
Total Cellular 9-1-1 Calls Received	49,097
Total Abandoned 9-1-1 Calls	9% of total (average)
Average Time to Answer	4 seconds

The enhanced 9-1-1 network continues to perform within established benchmarks.

The E-911 Board has installed two new Public Safety Answering Points (PSAPs) at the Rutland and Rockingham State Police Barracks. The 9-1-1 service area is the same as the State Police consolidated dispatch service area. Preexisting arrangements for police, fire and EMS dispatch are not affected. The Department of Public Safety now operates three PSAPs under the oversight of the E-911 Board. Six other PSAPs are located at Springfield PD, Hartford PD, Montpelier PD, Lamoille County Sheriff, Saint Albans PD, and Shelburne PD.

Please Post Your House Numbers

The E-911 Board continues to hear from local emergency responders that many people have not yet posted their 9-1-1 addresses on their businesses and homes. If you have not already done so, please post your 9-1-1 address where it can be seen by responders, even at night. Some neighborhoods have a confusing mixture of old and new numbers, so if you have not taken down your old number and replaced it with your new number, please do so right away. Your life or that of someone you love may depend on it.

• Rutland County •
JOINT MUNICIPAL SURVEY COMMITTEE
SOLID WASTE ALTERNATIVES COMMITTEE
 Financial Statement, Year Ended December 31, 2001

The Joint Municipal Survey Committee/Solid Waste Alternative Committee (JMASC/SWAC) is comprised of the towns of Benson, Chittenden, Fair Haven, Middletown Springs, Pawlet, Rutland Town, Shrewsbury, Sudbury, Tinmouth, and West Haven. Through a cooperative effort, these towns manage solid waste responsibilities and issues in a cost effective manner. JMASC/SWAC functions with one administrator, Pam Clapp (235-9353). JMASC/SWAC fulfills the statutory requirements of the state laws covering solid waste. This year the organization has:

- ❖ Sponsored Household Hazardous Waste Collection events (mandated by the State)
- ❖ Attended and represented each town at state-wide solid waste planning meetings
- ❖ Written and received state grants to help reduce costs for; planning, recycling equipment and household hazardous waste
- ❖ Coordinated paper recycling pickups with Putney Paper (towns receive money for paper collected)
- ❖ Fielded citizen questions and concerns regarding solid and hazardous waste issues.
- ❖ Overseen joint Solid Waste Plan (mandated by the State)

The State adopted its Solid Waste Implementation Plan, effective November 1, 2001. All municipalities in the State have 18 months to update their existing Plans. The organization has taken steps to ensure that the JMASC/SWAC towns will be in compliance with this State mandate by May 2003. Citizen participation will play a major role in this process. We look forward to ongoing dialogue with our citizens. We wish to thank those citizens who participate in our ongoing efforts to recycle and appropriately dispose of solid and hazardous waste.

RUTLAND COUNTY SHERIFF'S DEPARTMENT
 P.O. Box 303
 RUTLAND, VERMONT 05702-0303
 802-775-8002

Sheriff R. J. Elrick

Annual Sheriff's Report

On behalf of the men and woman of the Rutland County Sheriff's Department, I am pleased to present our annual report to the citizens of Rutland Town. Currently operating with a staff of 47 Deputies (30 of them full-time) and a fleet of 20 cruisers, the Department continues to grow to meet demands for service. Preliminary projections suggest a growth in sworn personnel of 12-14 additional full-time Deputies over the next twelve months. Clearly, the tragedies that our nation has experienced in the past months will have a lasting impact on the requests for our services.

At present, the Sheriff's Department provides law enforcement services under contract to five (5) towns in the County, as well as to the National Forest Service and the Diamond Run Mall. We continue to provide a roaming countywide patrol funded through a grant from the federal COPS office. The Department provides court officers in Superior, District, Family, Probate, Magistrate, and Small Claims courts. The Department also contracts with private organizations to provide such services as traffic control, wide load escorts, and general security and enforcement. We continue to bear primary responsibility for prisoner transportation in Rutland County, including prisoners, juveniles and mentally ill patients. The Department is also responsible for the service of civil process.

The Sheriff's Department is pleased to once again be providing contract patrols in the Town of Rutland Town. Our Deputies have primarily focused our efforts on speed enforcement on your highways during the hours we are in Rutland Town. As always, we encourage you to abide by posted speed limits. Voluntary compliance with laws and ordinances is our ultimate goal!

We have entered the world of technology and are proud to announce our new website is up and running. It is an excellent way to keep current on the activities and services being offered by your Sheriff's Department. Please visit us on the web at www.rutlandsheriff.com. In addition, we have launched a countywide crime tip-line. I encourage you to call us at **802-786-0000** to report any crime or suspicious activity of any kind. The origin of your information will remain anonymous! This line should be used for information only and not to report emergencies. If you need assistance in an emergency, you should call 9-1-1. Non-emergency calls can be directed to the Sheriff's Department at 775-8002.

I encourage you to call our office or stop in with any questions, suggestions, or needs you might have throughout the year. Your feedback on our performance can only better enable us to serve you!

R. J. Elrick
 Rutland County Sheriff

LISTERS

George Livak, Howard Burgess & Dean Davis

RUTLAND TOWN LISTERS REPORT

The Grand list for the year 2001 is approximately 452.3 million, a slight increase of 2.6 million over last year. While the grand list has continued to grow each year, the tax rate has also been on the increase. The tax rate of \$2.16 this year was a \$.33 increase over last years. The reasons for this increase in the tax rate was due primarily to the 18 month budget (town switching from calendar to fiscal year), an increase in the State of Vermont Education Tax (act 60), and failure of the Rutland Town Kids Fund to meet its goal.

Since the Town Reappraisal in 1998, the Listers continue to add new buildings and improvements in an attempt to maintain accurate assessments though out the Town. Because the Town doesn't have zoning or building permits to assist the Listers in updating property records, we have to do visual inspections of neighborhoods and rely only on what we see or what gets reported to us. We always appreciate hearing of new construction so please keep us informed by contacting one of the Listers or call the Town Office at 773-2528. Also, if you remove anything from your property such as an in-ground swimming pool, a garage, or deck; you need to notify us so we can make adjustments to your property assessment.

The Lister's office is open daily and property records are available for your review. If you have questions regarding assessments, homestead values, land use programs, etc, we will be happy to assist you.

The 2001 grand list, effective date as of April 1, 2001, is printed on the following pages. This listing is printed in the Annual Report on every fourth year.

Respectfully Submitted
Howard J Burgess, Chair
